EXTENSION OF ACCOUNTING PERIOD

Consequent upon the approval by the Registrar of Companies, West Bengal, the financial period of the Company has been extended by six months to 31st March, 2003. Accordingly the Financial Results, given above, covered the 18-month period from 1st October, 2001 to 31st March, 2003.

CHANGE OF NAME OF THE COMPANY

The change of name of the Company to IAG Company Limited was effected on 19th June, 2002. The Company has already obtained the Certificate from the Registrar of Companies, West Bengal, incorporating such change.

OPERATIONS

Your Directors are pleased to mention that the Company's performance during the 18-month-period under review has been satisfactory. Sales volume of the Company had marginally increased and the production for Sheet Glass and Figured Glass had also been maintained at a satisfactory level inspite of the fact that Furnace No. II became old and uneconomical. This performance had been achieved in the backdrop of recessionary condition faced by the entire Glass Industry globally compelling many of the indigenous Companies to shut down their operations or diversify their activities.

The Furnace No. II at the Factory producing Figured Glass had undergone Cold Repair in May, 2003 rendering complete stoppage of production. In consequence thereof there had been significant reduction in earnings of revenue through the sale of products. The firing of the Furnace No. II after re-construction was carried out on 31st July, 2003 and it was expected that within a couple of months the Furnace No. II will resume normal production of Figured Glass.

The Company has been passing through serious fund crisis. This has resulted in cost and time over-run in some scheduled targets and slow-down of operational activity. However, the Company yielded positive results in some areas through the introduction of cost control measures and this exercise has been found encouraging.

PROSPECT

Owing to Cold Repair of Furnace II the Company might take some more time to attain the desired level of productivity. However, the operational results in the current year are expected to move towards betterment unless interrupted by unforeseen factors.

DIVIDEND

In view of marginal profit earned by the Company in the fiscal under review and unabsorbed depreciation of previous years, the Directors regret that they are unable to recommend dividend.

COMMENTS ON AUDITORS' REMARKS

As regards Auditors' comments in their Report on financial results for the 18-month-period, Company's submissions have been given in Schedule 'K' of the Accounts.

As regards remarks in paragraphs 10 & 15 of the Annexure to Auditors' Report — the same have been noted & efforts would be made to comply with as early as possible.
