## Alliance with Moody's Investors Service

The international Credit Rating Agency Moody's Investors Service<sup>1</sup> is ICRA's largest shareholder. The participation of Moody's is supported by a Technical Services Agreement, which entails Moody's providing certain high-value technical services to ICRA. Specifically, the agreement is aimed at benefiting ICRA's in-house research capabilities, and providing it with access to Moody's global research base. The agreement also envisages Moody's conducting regular training and business seminars for ICRA analysts on various subjects to help them better understand and manage concepts and issues relating to the development of the capital markets in India. Besides this formal training programme, the agreement provides for Moody's advising ICRA on Rating-products strategy, and the Ratings business in general.

### Range of Services

#### Rating Services

As an early entrant in the Credit Rating business, **ICRA Limited (ICRA)** is one of the most experienced Credit Rating Agencies in the country today. ICRA rates rupee denominated debt instruments issued by manufacturing companies, commercial banks, non-banking finance companies, financial institutions, public sector undertakings and municipalities, among others. ICRA also rates structured obligations and sector-specific debt obligations such as instruments issued by Power, Telecom and Infrastructure companies. The other services offered include Corporate Governance Rating, Stakeholder Value and Governance Rating, Credit Risk Rating of Debt Mutual Funds, Rating of Claims Paying Ability of Insurance Companies, Project Finance Rating, and Line of Credit Rating. ICRA, along with National Small Industries Corporation Limited (NSIC), has launched a Performance and Credit Rating Scheme for Small-Scale Enterprises in India. The service is aimed at enabling Small and Medium Enterprises (SMEs) improve their access to institutional credit, increase their competitiveness, and raise their market standing.

**PT. ICRA Indonesia (ICRAIndo)**, a subsidiary of ICRA, offers a wide range of Rating services in the Indonesian market, including Credit Rating of rupiah-denominated debt instruments issued by manufacturing companies, banks, finance companies and financial institutions; Issuer Rating of corporate entities, banks & financial institutions, service companies, infrastructure sector companies, multi-finance companies, and small & medium sector companies; Structured Finance Rating of asset-backed securitisation and mortgage-backed securitization programmes, among others; Bank Loan Rating based on the Basel II Accord; Project Finance Rating; Mutual Funds Rating; and Claims Paying Ability Rating of insurance companies.

**ICRA Lanka Limited (ICRALanka)**, a wholly-owned subsidiary of ICRA, offers a wide range of Rating services in the Sri Lankan market, putting into use parent ICRA's accumulated experience in the areas of Credit Rating, Grading, and Investment Information. Its Rating focus is on entities mainly in the financial sector, besides long-, medium-, and short-term debt instruments issued by borrowers from various sectors of the economy.

Some of the major products of ICRALanka include Credit Rating of debt instruments issued by manufacturing companies, banks, finance companies and financial institutions; Issuer Rating of corporate entities, banks & financial institutions, service companies, infrastructure sector companies, multi-finance companies, and small & medium sector companies; Project Finance Rating; Mutual Funds Rating; and Claims Paying Ability Rating of insurance companies.

#### Grading Services

The Grading Services offered by **ICRA** employ pioneering concepts and methodologies, and include Grading of: Initial Public Offers (IPOs); Microfinance Institutions (MFIs); Construction Entities; Real Estate Developers and Projects; Healthcare Entities; and Maritime Training Institutes. In IPO Grading, an ICRA-assigned IPO Grade represents a relative assessment of the "fundamentals" of the issue graded in relation to the universe of other listed equity securities in India. In MFI Grading, the focus of ICRA's grading exercise is on evaluating the candidate institution's business and financial risks. The Grading of Construction Entities seeks to provide an independent opinion on the quality of performance of the entities graded. Similarly, the Grading of Real Estate Developers and Projects seeks to make property buyers aware of the risks associated with real estate projects, and with the developers' ability to deliver in accordance with the terms agreed. ICRA's Healthcare Gradings present an independent opinion on the quality of care provided by healthcare entities. In the education sector, ICRA offers the innovative service of Grading of Maritime Training Institutes in India.

## ICRA at a Glance

### Equity Research Service

The ICRA Equity Research Service seeks to provide market participants with an assessment of the fundamental earning quality of specific companies and their current relative valuation as reflected by the prevailing price of their equity shares. An ICRA Equity Research assessment, while not specifying any target price for the shares evaluated, captures two key factors—fundamental earning quality and relative valuation—that influence the price behaviour of equity shares of companies over the medium and long term. In assessing the relative valuation of a company's equity share, the same is benchmarked against an appropriate peer set or index.

ICRA Equity Research reports are aimed at benefiting all categories of investors, including retail investors and especially those with a longer term investment horizon.
