BUSINESS OPERATIONS

"Current Scenario"

Your company has started making fresh initiatives in re-establishing its Franchisee business and has got reasonable success in establishing some new franchisees in Himachal Pradesh, Madhya Pradesh.

Your Company has maintained a healthy profile in servicing the contracts of computer education in Govt. schools and colleges.

The computer education and training project in the Govt schools of NCT, CEP-I and II and Gyanodaya project in Madhya Pradesh has been completed successfully.

Your Company is able to grab the computer education and training project in the Govt schools of NCT, CEP-IV worth Rs. 40 Cr. and is not able to implement it due to certain reasons, which is now sub judice before the Hon'ble High Court of Delhi.

The Loss incurred by the Company during its lean period was due to blockage of huge chunk of money in Delhi government, for which we are hopeful, that it will be released in near future.

"Future Plan"

The Company is planning to diversify in the areas of Call Centers, Back Office Operations etc. The Company is trying to strengthen its leadership position in IT Training within India. The franchise business, which was once a core area of operation of your Company in the early nineties, has again been revived and we are hopeful to "sign in" a fair number of new franchisees within a very short period of time. The endeavor in this area is, to create a network first by charging reasonably low franchise fee and then enhance values once the culture and awareness is sustained and of course increase the service inputs to them.

With respect to new business, all our efforts are being made to make ingress into new areas as stated earlier and you can certainly look forward, hopefully to a better tomorrow.

"Financial Performance"

During the year commencing from 1st April 2005 till 31st March 2006, the Company has recorded a Total Revenue of Rs. 460.85 Lacs as against the total revenue of Rs. 1231.75 Lacs during the previous year.

Although the total revenues of the Company during the year has shown decline of 62.59%, the Company has suffered Loss of Rs. 541.72 Lacs against loss of Rs. 60.48 Lacs during the previous year.

The Company during the year has concentrated to become a Debt free Company and in its endeavor has made Compromise Settlement with Central Bank of India and Compromise Settlement has been approved at Rs. 145.00 Lacs. The amount of Rs. 145.00 Lacs is payable upto 21st September, 2006 alongwith interest of the Bank.

Your Company in the past three years has suffered huge losses on account of several factors including opening of Regional Engineering Colleges in the Country however, due to its strong brand equity and commitment of its existing promoters, the Company will pass this bad phase.
