Your Directors do not recommend declaration of any dividend for the year ended 31<sup>st</sup> March, 2005 in view of the loss borne by your Company.

## OPERATIONS:

During the year under review your Company has achieved a turnover of Rs. 65.76 Crores compared to Rs. 69.05 Crores in the previous year. The Company has processed 51,011 tons of oil cakes against 53,859 tons in the previous year.

The unsatisfactory and irregular precipitation of rainfall in 2004 resulted in Gujarat harvesting only 16.5 lakh tons of groundnut crop against about 30 lakh tons which is considered normal.

Besides, the liberal policy of import of edible oils followed by the Government resulted in dumping of edible oils by your Company's overseas competitors. This resulted in decreased realisation on sale of solvent extracted edible oils in domestic market.

Export during the year were marginally lower on account of the appreciation of Rupee and the increase in input costs which your Company was unable to pass on to the customers due to intense competition in the market.

All these factors resulted in an operating loss in the year under review.

In the current year groundnut crop with adequate rainfall should be normal and your Directors are of the opinion that better utilisation of capacity can be expected with satisfactory results.
