Even with the proposed borrowing, the debt equity ratio will be within normally accepted prudential accounting norms.

The proposed borrowings of the Company may, if necessary, be secured by way of a charge, mortgage, hypothecation of the Company's assets in favour of the security holders, trustees for the holders of the said securities. As the documents to be executed between the security holders, trustees for the holders of the said securities and the Company may contain the power to take over the management of the Company in certain events, it is necessary for the Company to pass a Resolution under Section 293(1)(a) of the Act, for creation of charges, mortgages and hypothecations for an amount not exceeding Rs.30 crores at any point of time.

The above proposals are in the interest of the Company and your Directors commend the said Resolutions at Item Nos.6 and 7 of the Notice for approval by the Members.
