Chairman's Message

Dear Shareholders,

I have been associated with the Company for a year now and have got the opportunity to lead its way gradually but steadily towards the path of progress in which the Company encountered innumerable obstacles, challenges but with the consistent perseverance, determination and efforts put by every one in the company we managed to stand out as solid as a rock. During the year, the Company entered into the field of biofuel and made substantial investments by acquiring or taking on lease several hectares of land in Meghalaya and Rajasthan and demonstrated its commitment to shareholders by raising Jatropha nursery for distribution to poor farmers and tribals and going for Jatropha plantation in a big way in Meghalaya which are expected to yield results in the coming years. The Company has signed an agreement with Indian Oil Corporation Limited for providing technical assistance for conversion of Jatropha oil into bio-fuel. The Company is exploring to expand its activities in Gujarat by acquiring land for plantation and initiating to set up refinery at Gujrat with a capacity of 1,00,000 tonnes per annum.

The Company's foray into the field of Telecom by launch of its calling card business that it intends to market in the international platform will help to improve the Company's performance in the long term. In order to pursue its global vision it is imperative for the Company to expand its global footprint. To facilitate this action, a 100% subsidiary has been incorporated in Pretoria, South Africa to tap the uncluttered South African market. These are some of the initiatives that the Company has taken to improve its performance in the long term.

Our Company strongly believes that the real assets of the company are our team of dedicated and committed employees united by a common vision, ethos and culture forming the backbone of the Company. We have been continuously focusing on staff welfare on all parameters. I am indeed proud that we have built up an enviable skill base with the right mind set and attitude, which I am sure, would guarantee a future for themselves and our Company. With the various initiatives underway and planned for 2006, the Company should be able to record an improved performance in 2006, capitalizing on the overall, newly emerging opportunities.

The Independent Directors of the Company have been working diligently through Audit Committee, Shareholders Transfer and Grievance Committee to scrutinize policies and proposals mooted by the operating management as well as provide independent inputs to strengthen the Company's worthiness on long-term basis.

I sincerely thank all of you for continuing to repose confidence in the Company's Directors as well as in the operating management. The strength of our Company increases due to the continued support of our Bankers, Vendors, Business Associates and investors like you without whose support we would not be, where we are today.

I can assure you that our Company progress will be gradual but steady, which will reap good results for you in the coming years.

Best Regards,

Dr.R.P Singh
Chairman
