ITEM NO. 6 & 7 :

In view of the increasing activities and future program of the Company, your Board of Directors had appointed Shri K.D.Agarwal and Shri G.M.Dhoot as Additional Director of the Company in its meeting held on 16th March, 2000 and 14th August, 2000 respectively. No other Directors are deemed to be considered as interested in the resolutions.

ITEM NO.8 :

At the Thirty Third Annual General Meeting of the Company held on 29th September, 1994, the members had given their consent to the Board of Directors ("The Board") of the Company to borrow a sum not exceeding Rs.25 Crores (Rupees Twenty Five Crores Only) more than paid-up capital and free reserves. Since then, the Working Capital requirements of the Company have continued to grow particularly in view of the growth in Company's business as well as increase in cost of raw materials.

The Board, thereof seeks the approval of the members to raise the aggregate limit of borrowing from Rs.25 Crores (Rupees Twenty Five Crores Only) to Rs.45 Crores (Rupees Forty Five Crores Only).

The Company proposes a resolution authorising Board to borrow loans upto maximum of Rs.45 Crores (Rupees Forty Five Crores Only). In order to borrow loans from Banks, institutions etc. the Board needs authorisation to mortgage/ hypothecate the assets of the Company as security/ collateral security.

Section 293(1)(a) of the Companies Act, 1956, provides, inter alia, that the Board of Directors of public Company shall not, without the consent of such public Company in general meeting, mortgage, hypothecate, sell, lease or otherwise or dispose of the whole or substantially the whole of the undertaking of the Company.

Since the mortgaging by the Company of its immovable and movable properties as aforesaid in favour of the financial institutions/ banks etc. can be considered to be disposal of the Company's properties, it is necessary for the members to pass a resolution under section 293(1)(a) of the Companies Act, 1956 authorising the Board of Directors with necessary powers, before creation of the said mortgage / charge.

The Ordinary Resolution set out at item 8 of the notice of the meeting is intended for the purpose and Board recommends the acceptance thereof.

Your Directors, thereof recommend the resolution for your approval.

None of the Directors of the Company is interested or concerned in any way in the Resolutions.

Your Directors also recommended the dividend @ 13.5 % p.a. on Preference Shares. This dividend will be fully adjusted against the interim dividend paid by your company on these shares during the period ended 31st March 2000.

PERFORMANCE

During the period under review, the company achieved the gross turnover of Rs. 1.20 billion in 18 months. Export earning were Rs.10.61 million during the above said period. Overall your Company's performance was satisfactory with sale recording a growth of 12%, while export sales declined mainly due to depressed demand in our traditional market and lesser invitation of International Tender for transformer. The figure assumes significance in the light of the sluggish market conditions during the period under review. According to IEEMA, production for power transformers had declined by 15%-20% during the period under review.

In order to achieve competitiveness, your company continues to lay emphasis on operating efficiency, capacity up-gradation, technology development, quality management and exports.

In the current period your company has very good order position of Rs.400 million from Private sectors and SEBs. The company has booked the orders in the 220kv class for 50 MVA and 75 MVA. These higher rating Transformers has put your company in the elite EHV class of transformer manufacturers and will give better yields in the current period.
