#### Business Performance

During Financial Year 2022-23, Company recorded loss after tax of Rs. 3,01,88,000 /- as compared to last year's Profit Rs.21,44,053/- Our Company's performance in the last fiscal illustrates the opportunities and challenges facing our industry. The phenomenal impact that digital technology is having on businesses around the world is creating exciting and viable new opportunities for us to partner with clients. However, capitalizing on this opportunity requires a strong focus on innovation and collaboration.

At the same time, there has never been a greater imperative to embrace technology to counter the downward pressures on pricing, resulting from commoditization of traditional software services, in order to maximize efficiencies and reconfigure our solutions.

While these are aggressive and ambitious goals, the Board strongly believes that these are eminently achievable through game changing initiatives. This will of course not be easy. These goals have to be viewed in the context of significant external and internal challenges. Markets are volatile, business models are changing rapidly, new capabilities need to be built and the organization needs to adapt with great agility. However, the start of the journey has been very encouraging, as evidenced by the performance during the last fiscal year, both in quantitative and qualitative terms. With focused energy, creativity and discipline many new initiatives are beginning to show tangible results.

The Board of Directors is completely aligned with the management team on these longer term goals, and I would like to take this opportunity to pledge to you that we will pursue them on a foundation of the highest standards of governance and ethics. These are aspects that our Company has always valued, and been known for respect for the laws of the land, fairness to the interests of all our stakeholders and a commitment to uphold our core values drive the deliberations and decisions of the Board. In addition to our business goals and commitment to drive shareholder value, our Company is focused on playing its role as a responsible corporate citizen. We continue to contribute towards initiatives that drive societal change in the communities where we operate, while ensuring that our growth is sustainable.

Before I conclude, I would also like to thank other stakeholders – our clients, vendors and partners – for their trust and support. And of course, I look forward to your continued support and best wishes.
