(j) Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

1. Significant Accounting Policies – (AS-1):**(a) Basis of Preparation of Financial Statements:**

Financial statements have been prepared and presented under historical cost convention in accordance with the accounting principles generally accepted in India having due regard to fundamental accounting assumptions of going concern, consistency and accrual and comply with the Accounting Standards referred to in Sec.211 (3C) of the Companies Act, 1956 as applicable and with the relevant provisions of the Companies Act, 1956.

(b) Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

(c) Revenue Recognition:

Revenue from sale of goods is recognized when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognized on dispatch of products. Revenue from export sales is recognized on shipment of products. Revenue from products is stated inclusive of duties, taxes but exclusive of returns, and applicable trade discounts and allowances.

Revenue from services is recognized as per the terms of contract with customers when the related services are performed, or the agreed milestones are achieved.

(d) Fixed Assets:

Fixed assets are carried at cost of acquisition less accumulated depreciation. Fixed assets which were revalued were carried at revalued values.

Cost includes non-refundable taxes, duties, freight, borrowing costs and other incidental expenses related to the acquisition and installation of the respective assets.

Fixed assets which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from the books of account and the difference if any, between the cost of such assets and the accumulated depreciation thereon is charged to Statement of Profit & Loss.
