REVIEW OF BUSINESS OPERATIONS

After recording a spectacular growth in the years 2009-2012, the Auto Industry has stagnated during the last three years. Some segments of the industry, particularly the Heavy and Medium Commercial Vehicle (H&MCV) has contracted by 15% per annum during the last three years. The depressed activity level in the industry has led to severe shrinkage of demand for components, consequent to which all the auto component manufacturers including IPRL have had to perform below par in the recent years.

As a result of these developments, the demand for auto components has suffered leading to low utilisation of capacities, under absorption of fixed costs and consequential drop in profitability.

Your Company ended the year with a loss. However, it had improved the performance by bringing down the loss to ₹.115.29 Lakhs for the year 2014-15, as compared to ₹.361.63 Lakhs recorded in the previous year.

FUTURE PROSPECTS

Despite the slowdown in the industry during the last three years, the outlook for the future appears to be promising. It is hoped and expected that the Union Government will provide impetus to the manufacturing sector particularly the Automobile and the Auto Component Industry.

Prime Minister's 'Make in India' program has spread a sense of positivity and the much needed enthusiasm in the Indian manufacturing base. 'Make in India' is a blue print that aspires to bolster domestic manufacturing by facilitating investment, fostering innovation, enhancing skill development, protecting intellectual property and building best in class manufacturing infrastructure within the country.

For IPRL, continued quality improvement, cost differentiation, indigenous procurement, innovative technology, newer markets, value engineering and management systems – all these elements will contribute in the years to come. IPRL has carefully read the situation and is poised to strengthen its position in the market.

DIRECTORS

In accordance with the provisions of the Companies Act, 2013, Mr N Venkataramani & Dr R Mahadevan, retire by rotation and are eligible for re-election. Dr Sandhya Shekhar, Independent Director was appointed as an Additional Director on September 30, 2014 and she will hold office until this Annual General Meeting. By virtue of Section 149 of the Companies Act, 2013, your Directors are seeking appointment of Dr Sandhya Shekhar, as an Independent Director for a period of five consecutive years for a term upto September 29, 2019.

Dr N Gowrishankar and Mr S R Srinivasan, Directors resigned from the Board during the year. Your Directors place on record their appreciation for the valuable services rendered by these Directors during their tenure.
