III. OTHER INFORMATION.

(1) Reasons of loss or inadequate profits.

Currently the construction industry is witnessing sluggish growth due to economic and policy concerns. At the same time, the economy has been witnessing high interest costs, commodity prices, execution delays and delays in payment from clients. The key economic and policy concerns being faced by the Industry include delays in land acquisition, significant rise in commodity prices, low realization of revenues and execution delays. The cumulative impact of the above factors coupled with an industry and economic downturn with a combination of tightened liquidity conditions and an inflationary environment has caused a liquidity stress on IVRCL which in turn causing loss to the Company.
