Igarashi Motors India Limited

From the Chairman's desk.....

Dear Shareholders,

Your management has justified your confidence in them, as they were able to handle the challenges faced by your company for the years 2009 & 2010, successfully.

This has enabled your company to address the growth potential again and post reasonable results for the year 2011. I feel this growth momentum will be continued in the coming years.

The demand from our customers continue to be robust and our operations show consistent improvement. We should post robust profitable growth in the coming years.

The significant impetus to the financial stability of your company was provided by the Strategic Investment made by Agile Electric Drives Technologies and Holdings Private Limited (Agile Electric).

Agile Electric was able to make this investment in your company due to the substantial investment by HBL Power Systems Limited, a Leader in Power sources & Electronics.

We find great synergy between the values and vision of HBL and your Company. This augurs well for future growth, as we are in the process of merging Agile Electric with your Company. This process is likely to take between 12 to 18 months time as necessary for completing various formalities involved.

Please join me in complimenting our Management team for the dedication and commitment.

As always, I am extremely grateful to you, shareholders for your understanding and patience and I feel reasonably confident that this patience will be rewarded in the years to come.

With kind regards,

K.K. Nohria
Chairman

A message from

K. Igarashi

President, Igarashi Group

My Dear Shareholders,

It is my happiness to see that Igarashi India has turned around well and has returned to Profitability. We were one of the few SME Japanese Companies who set foot in India over 15 years ago, envisioning the Indian market to become a good future Growth Market.

My estimation has now come true and I believe India will be one of the largest and fastest growing markets in the days to come.

Carefully and deeply examining the business conditions globally and our endeavour to remain strong in the areas we set foot, we had to take a decision to invite a Strong Strategic partner to take a lead in India, drive the growth in India.

I am very happy that HBL Power Systems Limited decided to invest in our Company, creating a Strategic Partnership. This will Expand the Horizon of business of both our Organisations and I believe that our Indian Company will be a significant beneficiary of this Strategic Alliance.

I am very impressed with the Research and Technology capability of HBL and the Clear Vision and Strategic Energy of its Chairman.

I am happy to share with all our Stakeholders, that I have been right on top of all the issues with my core and capable team and the future for our Company looks stable and robust.

As I mentioned last year, we have been customer oriented players and respect all our Stakeholders. This helped in maintaining good relationships with all our Business Chain partners and Stakeholders and I look forward to the years ahead with a positive optimism for our Company.

I wish to mention that all our Customers, Suppliers, Bankers and Financiers have demonstrated their faith in us and I offer immense gratitude to all of them. Our Employees have demonstrated the material they are made of to pull up from the unprecedented crisis, build a suitable Model and return to good times once again and consider De-Risking as an all important aspect of Management.

It will not be out of place to say, that in my lifetime, Japan has seen many grave challenging situations in the past and current Earthquake, Tsunami and Nuclear danger have not left Japan free from such Natural Calamities and Disasters. But I am confident that the nation will spring back.

Your sincerely,

K. Igarashi
