7. Members who hold their shares in dematerialised form are requested to bring their client ID and DP numbers for easy identification of attendance at the meeting.

EXPLANATORY STATEMENT

(Pursuant to Section 173(2) of the Act)

Item No. 5 :

Due to the increase in the activities and operations of the Company, the Board of the Company is of the view that it is advisable to appoint Sri. Vishnukanth Inani as a Whole time Director to share the work load and held the Remuneration Committee Meeting on 30th day of July, 2004 for fixing the remuneration and the Committee has fixed a remuneration of Rs. 11,500/- per month subject to the approval of the members.

Hence the above resolution is recommended for the approval of the Members.

None of the Directors of the Company are concerned or interested in the above resolution except Sri. Ramakanth Inani, Sri. Lakshmikanth Inani and Sri. Vishnukanth Inani.

Item No. 6 :

The Securities and Exchange Board of India (SEBI) has issued the Securities and Exchange Board of India (Delisting of Securities) Guidelines, 2003, (hereinafter referred to as the "Delisting Guidelines") incorporating among others, provisions for delisting of securities of a Listed Company voluntarily by a promoter or an acquirer or any other person from the Stock Exchange.

INANI SECURITIES LIMITED

Presently the Company's Equity Shares are listed on the following Stock Exchange :

1. The Hyderabad Stock Exchange Limited, Hyderabad
2. The Stock Exchange, Mumbai.
3. The Madras Stock Exchange Limited, Chennai.

With the extensive networking of the Stock Exchange Mumbai (BSE) and the extension of the BSE terminals to other cities as well, investors have access to online dealings in the Company's equity shares across the country. The bulk of the trading in the Company's equity shares in any case takes place on the BSE and the depth and liquidity of trading in the company's equity shares on The Madras Stock Exchange Limited, is low and insignificant.

The Securities and Exchange Board of India (SEBI) has specified for settlement of the company's equity shares in dematerialised form by all investors. It is also observed that the listing fee paid to the Stock Exchange is disproportionately high compared to the extremely low trading volumes of the Company's Securities on those exchanges.

The Company has proposed this resolution, which will enable it to delist its equity shares at any time in future from "The Madras Stock Exchange Limited, Chennai".

The Company's equity shares will continue to be listed on the Hyderabad Stock Exchange Ltd., Hyderabad and The Stock Exchange, Mumbai, after the proposed delisting.

Previously in a EGM held on 30th September, 1999 the company passed a resolution to this effect. But the said Stock Exchange was prolonging the process of delisting. However in view of latest guidelines issued by SEBI, the process of delisting will be smooth.

Hence the above resolution is recommended for the approval of the Members.

None of the Directors of the Company are concerned or interested in the above resolution except to the extent of their shareholding.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) Industry Structure and developments :

Being a corporate member of the National Stock Exchange of India Limited in the Capital Market Segment and Future & Option Segment, BSE, HSE and OTCEI the company is subject to the rules and regulations of respective Stock Exchange as well as SEBI. During the year the Company was granted membership in BSE also, in cash market segment. During the last financial year SEBI introduced SEBI (Central Database of Market Participants) Regulations 2003. Under these regulations every intermediary, specified listed company and other categories of persons such as investors and investor associations is compulsorily required to obtain Unique Identification Number. However the dictat extended even to the related persons of the intermediaries has been withdrawn. The reason stated by SEBI for creating a database of Market Participant is to bring about transparency in the Stock Market.

Last year SEBI also allowed the members of Stock Exchanges to provide margin trading facility to their clients. This facility is subject to fulfillment of the conditions stipulated by SEBI from time to time.

Another welcoming development that took place last year was the permission granted under Securities Contract (Regulations) Rules 1957 to members of Stock Exchanges to take membership of the Commodity Exchange through subsidiary companies. The Company has invested in INANI COMMODITIES AND FINANCE LIMITED (formerly known as INANI CAP-FIN LTD.) a group company, which has the membership of Multi Commodities Exchange of India Limited. This will create more business opportunities for the members of both Exchanges.

The company is expecting growth in the DP services. Recently the company has received registration from SEBI to act as Depository participant with CDSL. As the exchanges are planning to shift to settlement based on T+1, in house DP will be a added advantage. Further, National Commodity and Derivatives Exchange of India has tied up with both NSDL and CDSL for dematerialization of Commodity Derivatives. Your company will be a beneficiary as a Depository Participant of CDSL.

The current year will witness lot of activity in the primary market with the news of both TCS and NTPC lining up to enter the stock markets. The Primary market division of your company will benefit from this, as it is expected that many companies will raise equity capital through IPO.

b) Opportunities and Threats :

The company being a player in financial market, the performance of the company largely depends on the national and global Capital markets.

c) Outlook :

The year under review i.e. the financial year 2003-04 has been better than previous year. Barring few occasional slips the stock market has been pretty bullish throughout the year with sizeable chunk of investments coming from Foreign Institutional Investors and Financial Institutions which is result of the Government's disinvestments agenda.
