OPERATIONS :**TEXTILES, A YEAR IN RETROSPECT**

Textiles Industry, as we all know is going through a severe downswing. Our Company is no different and we faced various problems like cheap imports, delayed payments, lack of growth in revenue, compression of margins. This in addition to negetive feeling about textiles from finance sector. Our Board of Directors decided to get our of textile business as future forcasts were not bright. After serious study of other industries, it was decided to exit textiles and enter into information technology/E-Commerce.

The Company started E-Commerce activity in October 1999. To get out of textiles after having decades of good reputation is not easy and quick. The Board estimates that it will take atleast one fiscal year to get out of textiles.

First nine months of the fiscal year, the company was fully in textiles after which the company started activity in information technology.

IT/E-COMMERCE, A YEAR IN RETROSPECT

The name of the company was changed on January 11, 2000 from M/s. Jayketan Textiles Limited to M/s. India E-Commerce Limited. IT/E-Commerce being very fast growing field, it offers huge potential for growth and business opportunities.

The Company has identified four main growth areas of E-Commerce. Our Company will concentrate in these four areas.

- 1) Setting up Vertical B2B Portals targeting specific fields.
- 2) Setting up secure servers for payment/money transfer.
- 3) To distribute Internet specific Hardware & Software.
- 4) Offer M-Commerce Solution and Education.

The Company has already launched its B2B Portal on E-Commerce Resources in India in March 2000. Since only three months were available in this fiscal year, the Board expect the next year to be exceptionally promissing year for the company.
