### **Item No. 6 of the Notice**

In terms of Section 163 of the Companies Act, 1956, (the Act), The Register of Members, Index of Members and Register and Index of Debenture Holders, and copies of all annual returns of the Company prepared under Section 159 of the Act together with copies of certificates and documents which are required to be annexed thereto are required to be kept at the registered office of the Company.

At present the Company is handling the share transfer work in-house in respect of shares held in physical form. In respect of shares held in electronic form in the depositories, the electronic connectivity is being provided by the depository registrars, M/s.Integrated Enterprises (India) Limited, Chennai.

Securities and Exchange Board of India (SEBI) in its circular No.D & CC / FITTC/ Cir-15 dated 27<sup>th</sup> December 2002 has stipulated that a Company should have a common agency for handling the share registry work for both physical and electronic transfers i.e., either in-house or by way of a SEBI registered Registrar and Transfer Agent (RTA).

The Board of Directors have appointed Sundaram-Clayton Limited (SCL) as Share Transfer Agents to carry out the registry work pertaining to transfer of shares and to provide connectivity with the depositories for handling transactions taking place in electronic form. Consequently, the records detailed in the Resolution will have to be shifted to the share registry office of SCL. In terms of Section 163 of the Companies Act, 1956, approval of the Shareholders is sought by a special resolution for keeping the Register and Index of Members and other records as set out in the Resolution outside the registered office of the Company.

The Directors recommend the resolution for adoption.

**2. OPERATIONS**

During the year under review the two wheeler industry grew by 10.8% with motorcycle at 12.4%, scooter at 10.2% and moped showing a negative growth of 5%. Your Company's sales during the year showed a marginal increase of 2.6%. Your Company's sales would have been higher but for

the substantial price reduction that had to be offered to almost all the customers to maintain the share of business in a highly competitive market.

Profit before tax decreased by 6.30% from Rs.37.37 crores to Rs.35.02 crores due to increase in input costs and provision for diminution in value of investments by Rs.174 lacs and increase in depreciation by Rs.149 lacs. The diminution in the value of investments arose out of fall in Net Asset Values (NAV) of certain mutual fund investments. On these investments, however, the company made an overall annualised return of 5.94% even after factoring in the loss attributable to reduced NAVs. A higher provision for income tax, notwithstanding the lower profit is due to lower tax holiday benefits under Section 80IB of Income Tax Act, 1961.

Competition amongst vehicle manufacturers has become extremely intense with periodical price reductions to retain market share. Vehicle manufacturers are, therefore, demanding from component manufacturers progressive price reductions to be committed over a period. In this situation, Your Directors are taking steps to introduce technologically superior products, VAVE solutions and other cost reduction programmes in Your Company. Almost all the vehicle manufacturers are launching 3 to 4 models a year to offer a range of products to customers.

Your Directors are pleased to state that during the year under review a new state-of-the-art electronic facility was set up at Pondicherry unit at a cost of nearly Rs.4.50 crores to cater to requirements of customers.

Your Company's exports during the year amounted to Rs.26.83 lacs. It has secured orders worth Rs.125 lacs from Kokusan Denki Co Ltd., Japan and Lombardini, Italy.

Your Company continues to pursue development of human resources and is providing facilities for acquisition of specialised knowledge by engineers and advanced skills by workmen.

### 3. DIVIDEND

Your Directors recommend a final dividend of Rs.0.50 per share (tax free) for the year 31.03.2004 absorbing an amount of Rs.40.40 lacs; thus totalling to Rs.8.50 per share amounting to Rs.686.72 lacs including two interim dividends already paid for the year 2003-04.

Dividend, if approved by the Shareholders, would be payable to those Shareholders whose names appear in the Register of Members as on 3<sup>rd</sup> September, 2004.
