**REPORT OF THE DIRECTORS**

1. Your Directors take pleasure in presenting the 69th Annual Report of your Company together with the audited statement of accounts for the year ended March 31, 1997.

**FINANCIAL RESULTS**

2. The financial results of your Company for the year under review and those of the previous year are given below.

	Year Under Review	Previous Year
	(Rupees in lakh)	
Profit before finance charges and depreciation	424.63	319.41
Finance charges	297.75	336.91
	126.88	(17.50)
Depreciation	689.53	755.53
Net Profit/(Loss) from Operations	(562.65)	(773.03)
Net Profit on sale of Vessels	623.32	—
Provision for expenses relating to earlier years	—	(105.37)
Profit/(Loss) before Tax	60.67	(878.40)
Provision for Minimum Alternate Tax	8.00	—
Net Profit/(Loss) for the year	52.67	(878.40)
Balance brought forward from previous year	(18831.11)	(17952.71)
Balance carried to Balance Sheet	(18778.44)	(18831.11)

3. Profit during the year under review, as against loss in the previous year, was mainly because of sale of three laid up ships. There was also a reduction in ship repair costs as only one ship was drydocked during this year as compared to three ships in the previous year.
4. Freight and charter hire earnings declined to Rs. 5173.28 lakh in the year under review as against

Rs. 5711.54 lakh in the previous year. Earnings were adversely affected because of a decline in the freight market which was triggered off by the massive delivery of new bulk carriers in 1995 due to which the world bulk carrier fleet increased from 228.8 million tons to 241.8 million tons during the year. Consequently, even though world trade remained buoyant it could not absorb the substantial increase in the supply of shipping space.

5. The year 1996-97 commenced with a depressed freight market for drybulk cargoes and the market remained under pressure throughout the year. The Baltic Freight Index for drybulk cargoes was substantially lower in each quarter of 1996 as compared to the corresponding quarter of 1995. Though the freight market showed some improvement in the first quarter of 1997 the Index was still somewhat lower as compared to the first quarter of 1996. Your Company's earnings suffered due to such adverse market conditions.

**TAXATION**

6. Since your Company's Balance Sheet carries large accumulated losses, no corporate tax should have been payable. However, with the introduction of Minimum Alternate Tax (MAT), a minimum tax is payable on the profits earned in the year under review despite accumulated losses. Hence, a provision of Rs. 8.00 lakh has been made in the accounts for this purpose.

**DIVIDEND**

7. Your Directors regret that, keeping in view the accumulated losses, no dividend can be paid in respect of Preference and Ordinary shares of the Company.

**PROSPECTS IN THE CURRENT YEAR**

8. The current year 1997-98 has witnessed a sharp increase in the tanker freight rates while other segments of the shipping market not only remained depressed but have been pushed down further as compared to the previous year. The solitary tanker in your Company's fleet, m.t. Ratna Abha, remains on a long term charter with Hindustan Petroleum Corporation Ltd. Hence, the overall financial results of the Company are sensitive to developments in the drycargo sector. The dry cargo market started sliding down from

## INDIA STEAMSHIP COMPANY LIMITED

the middle of April 1997 and remained in doldrums till June 1997. This is contrary to the normal pattern of a comparatively stable freight market during these months. A slight improvement in the market emerged in the first half of July 1997 but the recovery was short-lived and the market started declining again from the end of July.

9. On the demand side the prospects remain good. World trade continues to expand in 1997 even though the overall rate of expansion has declined, mainly due to lower growth in exports from the Asian countries. Both iron ore and coking coal trades are set to rise as world steel production increases. Steam coal volumes have also improved due to increasing demand for electric power.
10. Unfortunately, the basic malady remains unchanged from 1996. The growth in demand has been overtaken and nullified by the spurt in the supply of new bulk carriers. Bulk carrier tonnage went up by over 12 million dwt during 1996. On top of this at the beginning of 1997 29 million dwt, or nearly 12 per cent of the world fleet, was on order out of which about 18 million dwt was due for delivery in 1997. This situation has inevitably affected your Company adversely.

**SALE OF SHIPS**

11. The Board of Directors had already mentioned in their last report to the Members that three of the Company's vessels, m.v. Ratna Nandini, m.v. Indian Endurance and m.v. Indian Explorer, were sold during the year 1996-97 for scrapping.
12. The Directors regret that m.v. Indian Prosperity, which had been laid up at Mumbai, was hit by a typhoon in June 1996 and was grounded. The vessel was declared a "constructive total loss" by your Company and has now been sold for scrapping with the approval of the authorities concerned. Another vessel, m.v. Indian Progress, has also been sold during the current financial year.

**FLEET INSURANCE**

13. The insured value of the Company's fleet of eight ships comprising 244271 dwt as on March 31, 1997 was Rs. 17630.39 lakh.

**SUBSIDIARY COMPANIES**

14. The accounts pertaining to the three subsidiaries of your Company are annexed herewith. These companies have not commenced any business as yet.

**COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF BOARD OF DIRECTORS) RULES, 1988.**

15. In terms of Notification No. GSR 1029 dated 31.12.1988 your Company is required to furnish information under section 217(1)(e) of the Companies Act, 1956. As regards conservation of energy, there is hardly any scope for conservation measures in respect of the conventional type of ships owned by your Company. The information to be furnished in Form A is not applicable to the shipping industry. Your Company, being a shipping enterprise, has also no information to furnish in Form B regarding technology absorption. Total foreign exchange earned during the year under review amounted to Rs. 2,852.66 lakh and foreign exchange used amounted to Rs. 2,600.55 lakh. The contribution to the balance of payments would be much more because freight earned in rupees is regarded as saving of foreign exchange.

**PARTICULARS OF EMPLOYEES**

16. Particulars of employees required under section 217 (2A) of the Companies Act, 1956 as amended are annexed.

**AUDITORS' REPORT**

17. The Auditors' Report, being self explanatory, is not being dealt with separately.

**AUDITORS**

18. The Auditors of the Company M/s G Basu & Co and M/s Singhi & Co retire and, being eligible, offer themselves for re-appointment.

**DIRECTORS**

19. The Board of Directors have re-appointed Shri D Madhok as Executive Director for the period from September 4, 1997 to October 31, 1998. This re-appointment is subject to the approval of the Members of the Company. A resolution specifying the remuneration, perquisites, benefits and amenities permissible to Shri D Madhok is being

included in the Notice convening the next Annual General Meeting.

20. Shri N N Majumdar, Nominee Director of the Central Government, resigned from the Board of Directors with effect from March 1, 1997.
21. Shri K K Birla, Shri S N Sachdev and Shri Ramesh Maheshwari, who are Directors of your Company, retire by rotation and are eligible for re-appointment.

#### ACKNOWLEDGEMENTS

22. Your Directors wish to express their sincere thanks to the officers in the Ministry of Surface

Transport, Transchart, the Directorate General of Shipping, the Mercantile Marine Department, the Ministry of Finance, other concerned Ministries and Departments of the Government of India, ICICI, State Bank of India and Indian Bank for their assistance and guidance.

23. Your Directors desire to place on record their appreciation of the loyal and efficient services rendered to the Company by its employees, both afloat and ashore. Your Directors also convey their sincere thanks to the Company's Agents at various ports in India and abroad.

## AUDITORS' REPORT TO THE SHAREHOLDERS

Accounting Standard AS-15 issued by the Institute of Chartered Accountants of India which is mandatory with effect from 1st April, 1995, requires leave encashment liability on retirement should be provided for an accrual basis. The amount of such liability has not been actuarially determined and no provision has been made for the same.

- (vi) As per practice consistently followed accounting treatment of certain expenses i.e. closure compensation, retirement benefits etc. has been treated as Deferred Revenue Expenditure in the earlier years instead of being charged to revenue. In our opinion this is not in accordance with Generally Accepted Accounting Standards. (Please refer Note B-12 in Schedule - "M").
