Item No. 13

The present paid up share capital of the Company is Rs.389.34 crores. The reserves as on 31st March, 1999 were Rs.12139 crores. The Board of Directors thought that it would be advantageous to capitalise a portion of the reserves. Hence your Directors have proposed the issue of bonus shares by capitalisation of a sum of Rs.389,33,74,000 from general reserves as per the audited accounts of the Company for the financial year ended 31st March, 1999 and the same is proposed to be applied in full at par by issuing at par 38,93,37,400 equity

shares of Rs.10/- each. The said shares shall be distributed as fully paid bonus shares to and amongst the members of the company whose names will appear on the Register of Members on a date (Record Date) to be hereafter fixed by the Board, in proportion of one bonus share for every one existing equity share held on that date.

The proposed issue of Bonus Shares will be made in line with the guidelines issued by the Securities & Exchange Board of India (SEBI) in this respect. The allotment of bonus shares to the non-resident members, if any, will, however, be subject to the approval of the Reserve Bank of India. Applications will be made to the Mumbai, Delhi, Calcutta, Chennai and National Stock Exchanges, where the existing shares of the Company are already listed for permission to deal in the said bonus shares.

The Directors, therefore, recommend the Special Resolutions. The Directors of the Company may be deemed to be interested in these resolutions to the extent of their respective holding, if any, in the Company.

Item No. 14

The Companies Act has been recently amended by the Companies (Amendment) Ordinance, 1998 as a result of which a new Section 77A has been inserted, in terms of which, a Company is now able to purchase its own shares or other specified securities (Buy-back) subject to the terms and in the manner set out in the Section. Prior thereto, the Company was restricted to purchase its own shares by way of reduction of capital.

The recently introduced provisions of Section 77A of the Companies Act also require that the Buy-Back of shares is authorised by the Company's Articles of Association. The existing Article 18 prohibits the Company to Buy-Back its own shares and is therefore considered to be out of place in the context of the new Corporate environment. Being conscious of the fact that the existing provisions of Sections 100 to 104 and Section 402 of the Companies Act have still to find a place on the statute book, the existing Article 18 is proposed to be substituted by a new Article 18 as set out in item 14 of the Notice. A new Article 18A is also being proposed, as the Company has to be authorised by its Articles to Buy-Back its own shares and securities.

The Board is of the opinion that it will be in the best interest of the Company to give an enabling power to the Board to Buy-Back the Company's shares.

Pursuant to the passing of the Depositories Act, 1996 and setting up of the National Securities Depositories Limited (NSDL), IndianOil has entered into an agreement with NSDL to have electronic depository facilities for the shares of the Corporation effective 1st September, 1998. An agreement has also been entered into with Central Depository Services (India) Limited (CDSL) for electronic depository facilities effective 7th July, 1999. This would immensely benefit the shareholders for scripless trading in the electronic form thus eliminating the paper work involved in scrip-based trading and share transfer system.

Certain provisions of the existing Articles of the Company pertaining to the issue, holding, transfer, transmission and other dealings in shares and other securities, as also issue of certificates, thereof, which were framed on the basis of the relevant provisions of the Companies Act, 1956 need to be amended and new Articles inserted, keeping in view the provisions of the Depositories Act, 1996, which have become applicable as a result of the introduction of the Depository System. The required amendments have been made so as to give effect to the legal and practical aspects of the Depository System and are self explanatory.

The Directors, therefore recommend the Special Resolution. None of the Directors of the Company are interested in the resolution.
