TERRAIN

ANNUAL REPORT
2021-22

NOTE FROM THE CHAIRMAN

Dear Shareholders,

I write to you in the backdrop of an interesting period in our history as a nation and a very exciting future for our industry. The last 24 months were something none of us had ever seen ever before but if there is one thing that stood out it was the resilience of India, its people, its scientists, technologists, administrators and the citizens at large. From a devastating April – May in the second wave of COVID to vaccinating 100 Billion People within 12 months and then exporting some more we demonstrated to the world how to efficiently and adeptly manage a pandemic and manage both the economy and the healthcare of our citizens. It is this management that helped us tide over this pandemic and create the foundation for a strong 2023.

Even as we dealt with one challenge we are faced with another one in terms of inflation, commodity price surges, supply chain instability and high interest rates. This multi pronged challenge is going to test businesses across the spectrum and only the most resilient, nimble, well capitalized businesses which have built a unique franchise will stand these strong winds and emerge stronger.

It is in against this interesting and yet daunting backdrop that I bring to you the performance of your company in the past year. In the past year Your company recorded revenues of ₹336 Cr which was a 50% growth over FY 2021 and achieved an EBITDA of ₹34.18 Cr. If not for the first quarter of the year which was hugely impacted by COVID second wave your company was well on track to exceed its revenues of the Pre COVID period. The Strong showing in the second half of the year was especially heartening and driven by the premiumization drive undertaken and led by exclusive retail which has been a strategic thrust over the years.

At the beginning of the last year we had set ourselves four major levers to grow the business namely Direct to Consumer Retail, Sustainability, expansion into the Hinterland of India (Bharat) and expansion of our Childrenswear Business. I am pleased to state that despite all the challenges faced we have made progress on all these areas. Our Direct to Consumer Business (consisting of our own exclusive stores and our webstore business) now accounts for almost 40% of our revenues and is well poised to reach 50% in the next few years. This is particularly significant since it gives us a direct access to a vast and loyal set of customers and help build

a deeper engagement with them as a brand and company. Your company added 33,000 Sqft of retail space and today has a presence of 240 stores across 90 towns and covering 200,000 sqft of exclusive retail space. This in addition to the presence in over 1800 points of sales in wholesale gives a wide reach to the brand. Two - third of our retail network is now in Bharat (outside the top 8 cities) where retail is growing rapidly and aspirations even faster.

We have further strengthened our commitment to building a sustainable planet with a deeper engagement through our partner FAIRTRADE and expanding the product portfolio. In addition through use of a number of other sustainable raw materials, 5% our product range is now fully sustainable and in the years to come we will continuously be increasing this share. In addition I am proud to state that your company has almost completely eliminated the use of virgin plastic in any of its products and packaging materials.

If 2022 was the year of consolidation and strengthening our core operations, 2023 will be year of normalcy and accelerated growth. With a stable macroeconomic environment and deft administrative handling India will continue to be one of the few bright spots In the global economy and Consumption is all set to grow as was evident briefly in the festive period of 2022. As offices and schools open fully and mobility increases, clothing spends and in particular smart casuals and childrenswear will see increased demand and your company is well poised to participate in that growth. We will continue to push on the strategic levers identified and seed new categories to build for the future which appears promising. Your company is now adequately capitalized and well funded to drive this growth albeit with caution and a strong focus on the balance sheet.

As I conclude I must say that the best of intentions will come undone if not executed seamlessly and with velocity and for both of this to happen needs a committed, passionate and energized team. I am indeed proud of the more than "700 Terrainers" who have not only withstood the toughest period of the last two years but emerged stronger and ready to lead your company to the next phase of growth. The world and India is changing and so must we. As we enter 2023 we are at the beginning of a strong consumption cycle which will be led by increased digitization and an ever expanding reach and with a history of 20 years your company is ready to ride this wave.

We are here today because of your unwavering support as shareholders and for that I am immensely grateful and as we look ahead to a brighter future I look forward to your presence in this exciting journey.

Sincerely,

Venky Rajgopal
Executive Chairman and Whole Time Director

- 3) (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
