Item no. 9

As stipulated by The Stock Exchanges where the Bank's shares are listed a few Articles of the Bank need to be amended. In order to comply with pre-conditions for listing and fall in line with the standard listing agreement with the Stock Exchanges, it is proposed to amend the Articles of Association inter alia to provide for a period of one month for registering or refusing to register the transfer of shares and to provide that any unclaimed or unpaid dividend cannot be directed by the Board to be forfeited. The borrowing powers of the Bank have also been amended to enable the Bank to raise subordinated debt, if required, by the issue of debenture/bonds, to any one, subject however to the approval of the Reserve Bank of India and the shareholders by way of a Special Resolution.

With the introduction of the Depositories Act, 1996 and the Depository System, some of the provisions of the Act, relating to the issue, holding, transfer, transmission of shares and other securities have been amended to bring them in line with the new system. The mode of holding securities in the electronic form is safer and more convenient for holding and trading in the securities of the Bank. The Bank has joined the Depository System and it is therefore proposed to suitably alter the Bank's Articles as set out, to reflect the provisions introduced by the Depositories Act, 1996 and further to detail the rights of the beneficial owners of the securities in such a system.

The Act presently prohibits the Bank from purchasing its own shares and securities. However it is anticipated that the law may in future permit the Bank to buy back its own securities. Subject to the buy back of securities being legally permissible, it is proposed to introduce a new Article 5A in the Articles as set out in the Resolution at item no 9 to enable the Bank to purchase any of its own shares or such other permissible securities as may be permitted by the applicable laws.

The Board of Directors recommend the resolution for approval of the Members.

None of the Directors of the Bank is in any way concerned or interested in the passing of the resolution except to the extent shares are held by them in the Bank.
