J.R. FOODS LIMITED**REPORT OF THE DIRECTORS TO THE SHARE HOLDERS :**

Your Directors have pleasure in placing before you the 6th Annual Report and Accounts of the Company for the year ended 31st March 1999.

REVIEW OF OPERATIONS :

The Company faced severe problems in the marketing of its products because of the crash in prices of Edible Oils Coupled with the glut of Palmolien from Malaysia in the Indian Market. As a result though the Company was able to sell more quantity than in the previous year the realisation per tonne was less. The company faced a situation for most part of the year when its cost of production far exceeded the selling price. As a result the margins during the year had been considerably low and therefore the operations cannot be compared with the previous year. In view of the inadequate profit during the year under review your Directors do not propose any dividend.

PROSPECTS :

The continued depressed conditions of the edible oil industry has had its impact on the operations of the current year. However, with the festival season approaching, it is expected that the situation will improve in the couple of months.
