**DIRECTORS' REPORT & MANAGEMENT DISCUSSION AND ANALYSIS**

Your directors present their report and audited accounts for the year ended 31st March, 2015

Financial Results & Operations

	Year ended 31.03.2015	Year ended 31.03.2014
	(₹ in lacs)	
The key financial results of the company are as under :		
Revenue from Operations and other income	572	5640
Earning before Interest, Depreciation & Tax	(166)	(2823)
Finance Cost	1592	1639
Depreciation	1506	1677
Exceptional Item	4000	-
Net Profit/(Loss) after tax for the year	(7264)	(6248)

In view of the accumulated losses, no dividend is recommended.

Your company was forced to suspend operations during the financial year 2014 -15 due to non availability of working capital and suppliers credit. With the banks not releasing need based LC limits as envisaged in the sanctioned scheme, import of glass parts being a critical and major input, could not be arranged. The company believes that being the only manufacturer of CPTs in India, there is a good chance to revive, if working capital support is made available as imports of CPTs from China are finding its way into India to feed the CPT based TV market. Further to meet the growing demand for flat panels, the company has been working on the option of converting one of its production lines to take up assembly of LCD/ LED modules which are presently being imported. However non availability of working capital is coming in the way of moving forward on this proposal also.

The rehabilitation scheme approved by the Board for Industrial & Financial Reconstruction (BIFR) is under implementation. With the consent of the secured lenders, the company had moved a modified debt restructuring seeking approval from BIFR for sale of some surplus assets and rescheduling the repayments besides other issues. While sanction for the sale of surplus assets was received, decision is awaited on the other issues.

During the year under review, the company neither invited nor accepted any deposits. Further, there are no overdue deposits lying unpaid with the company.

Industry Scenario

Globally the CPT industry has been seeing declining volumes over the last few years. All major global players have already quit or are on the verge of quitting. The markets in India have also dropped due to shift in consumer preference for flat panel TVs. Availability of raw materials and components are restricted to only few suppliers now.

Directors

Mr. P K Ganguly who was an independent director on the Board passed away on 8th May, 2015. The Board expresses its condolences on his demise. The Board also placed on record its appreciation for his contributions during his tenure as a director on the Board.

Mr. K Jayabharath Reddy was elected as an Independent Director on the Board pursuant to provisions of the Companies Act, 2013 for a consecutive term of five years at the last AGM. Mr Reddy had declared that he meets the criteria as laid down in the Companies Act and the listing agreement .
