4. OPERATIONS

The performance of the Company was severely impacted after the accidents. However, the company is in the process of acquiring improved technology alongwith new investment to enable it to achieve full-fledged production.

5. FINANCE

The management has taken various measures to ensure that the Company returns to operational profitability and to achieve its full potential at the earliest.

During the year, the Company had started the process of settlement of dues as per the OTS (One Time Settlement) scheme approved by CDR (Corporate Debt Restructuring) consisting of six CDR lenders (Banks & Institutes). As per the terms, the Company has completed the process before the date of signing of the Balance Sheet.

Further during the year, Hon'ble BIFR permitted the Company to convert the liability of five lenders (Banks & subsidiary of Bank) into equity shares of the Company in full and final settlement of their dues. Accordingly the Company issued equity shares at a premium in settlement of the outstanding dues to those lenders as approved by Hon'ble BIFR.

There is only one bank with minor exposure remaining, who has not opted for any settlement, and have continued their action against the revival efforts of the

Company. Your Directors are making all the efforts to make the Company debt free.

6. FIXED DEPOSIT

During the year under report, the Company has not accepted any public deposit under section 58A and 58AA of the Companies Act, 1956.

7. SUBSIDIARIES

The Company has two subsidiaries. The audited financial statements of subsidiaries and Consolidated Financial Statement along with Auditor's Report are included in this Annual Report.

8. REFERENCE TO HON'BLE BIFR

As per the audited accounts for the year ended 30th June, 2007 the Company's net worth remains negative and as a result it continues to remain a sick industrial undertaking within the meaning of Sick Industrial Companies (Special Provision) Act, 1985.

9. BRU (Bombay Relief Undertaking)

The Company has received notification from Government of Maharashtra dated 19th June, 2007 by which the Company has been declared "Relief Undertaking" for a period of one year from that date.

10. DIRECTORS

Shri R.V. Iyer has been appointed as a Special Director by Hon'ble BIFR on 30th March, 2007.

At the ensuing Annual General Meeting, Mr. Ramesh H. Parihar, Director of the Company retires by rotation and being eligible, offers himself for reappointment.

In terms of the provision of section 274(1)(g) of the Companies Act, 1956 as amended from time to time, none of the Directors are disqualified.

11. CORPORATE GOVERNANCE

Necessary measures have been adopted to comply with the requirements of the Listing Agreements with the Stock Exchanges wherein your Company's shares are listed. A separate report on Corporate Governance adopted by the Company forms part of this report.

A certificate from the Auditors of the Company regarding compliance of the conditions of Corporate Governance as also the Management Discussion and Analysis Report stipulated under Clause 49 of the Listing Agreement is annexed in this report.

12. RESPONSIBILITY STATEMENT

JIK INDUSTRIES LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

1. Industry Structure and Development:

With strong GDP growth backed by an excellent performance in manufacturing and service sectors, India's growth story is a reality.

Organised retail Segment is growing at the rate of 25% - 30% p.a. with revenues from the Sector expected to triple. The retail segment of crystal glassware has undergone a big change and the present Rs. 400 crore market in India is expected to grow at 100% every year for next three years (Source - Economic Times). The company continues to implement its strategy of widening its customer base in this activity.

2. Opportunity and Threats:

Besides the obvious labour cost advantages that the Company enjoys vis-à-vis its European counterparts, the shutting down or downsizing of hand made crystal glassware factories in the Euro Zone provides ready market for the Company's products.

The Indian retail market is on a boom phase, which is still largely unexploited. The increasing income levels in India have led to much higher disposable incomes and the tendency to spend on luxury.

The Company's products are a part of the fast growing luxury segment. With its presence in the retail, institutional and export markets, the Company is uniquely placed to take advantage of both the rapidly growing domestic retail market as well as the established large global market.

Strategic tie-ups with European Companies will offer design, technology and marketing capabilities, which will lead to a value added product mix to compete in any market in the world.

Threats consist of an overall downturn in luxury goods segment, which may not happen in the foreseeable future and any major change in Government Policy.

3. Segment-wise product-wise performance:

It has been fully dealt with in the notes to the accounts.

4. Outlook:

The Management is confident of enhancing operational performance and profitability in the Financial year 2007-08 and 2008-09 by focusing and consolidating in its core competency of crystal glassware business and allied products. The Company is in negotiations to widen its reach through Long Term Agreements /

Collaborations in Europe. Due to diminishing supply caused by increasing costs, resulting in plant closures, the European Companies are looking to outsource large production here. The Company plans to expanding its capacity to meet domestic / international demand.

5. Risks & concerns:

The Scheme of Arrangement u/s 391 of the Companies Act 1956 between the Company and its Specified Creditors held on 10/6/2006 is still pending with Hon'ble High Court, Bombay. Out of 12 creditors, 11 Creditors have approved & voted in favour of Scheme of Arrangement u/s 391 of Companies Act, 1956 & opted and accepted the terms of one of the options of payments. Only one creditor having a small exposure has not opted for any settlement and is impeding the revival efforts of the Company. Meanwhile, all other 11 lenders have opted for settlement.

Major natural disaster in form of heavy rain, water logging at Balkum, Thane (Registered office and Plant) and major fire at its Chemical Recycling Plant at Vijaygad, Wada had also destroyed its records. Company's efforts to salvage the same have met with little success.

6. Internal control systems & their adequacy:

The Company has an adequate system of internal controls.

7. Human Resource Management:

Industrial relations during the period remained satisfactory. The Company could not continue upgrading the skills and effectiveness at all the levels through training and development programmes on account of liquidity crunch.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis, describing the Company's objectives, projections and estimates, are forward-looking statements and progressive within the meaning of applicable security laws and regulations. Actual results may vary from those expressed or implied, depending upon economic conditions, Government policies and other incidental factors.
