the previous year. However, after considering the Extraordinary item of sale of businesses (goodwill), the Gross Income of your Company for the year under review amounted to Rs. 3902.32 lacs.

The total expenditure of Rs. 3160.02 lacs includes an amount of Rs. 333.91 lacs towards loss on sale of investments and Rs. 68.16 lacs towards provision for advances and debts. The expenditure from operations, after excluding the above items, works out to Rs. 2757.95 lacs as against Rs. 2507.67 lacs reported in the previous year. The increase in expenditure over the previous year is attributed to higher sub-brokerage and incentives. The competitive market environment compelled your Company to pay higher sub-brokerage to retain the market share.

However, after considering the extraordinary items, your Company has made a net profit of Rs. 349.44 lacs during the year as against a loss of Rs. 916.78 lacs incurred in the previous year. In view of the carried forward loss of the previous year, your directors have decided not to recommend any dividend for the current year.
