

JM Financial Limited
Annual Report 2013-14

A Rubik's Cube is an appropriate tool for problem solving. The search for the perfect orientation requires one to understand the different ways it can move. There is one correct solution, amid a multitude of combinations and paths. Focus, commitment and persistence are required for the effort.

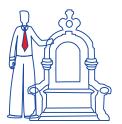

At JM Financial, we use the same persistent and innovative problem-solving approach to create long-term value for our clients and the wider stakeholder community.

India is poised to move forward on the path of recovery. Optimism and ambition for growth is expected to fuel investment growth. We, being one of the leading players in the financial services landscape, are ready to take a leap forward to leverage opportunities coming our way. Our dynamism will position us well to take a leap forward and create more value for our clients, investors, employees and other stakeholders in the coming years.

Our Core Values

Client focus

We always put the interest of our clients before our own. Understanding our client needs, seeking new opportunities for them, addressing them and delivering unique solutions as per their expectations is imperative to us. The success of our clients is the biggest reward for us.

Teamwork

We believe extensive teamwork is what makes it possible for us to work together towards a common goal. We value and respect each individual's commitment to group effort.

Implementation

Our expertise, experience and continuous focus on the quality of execution ensure effective implementation of our strategies.

Integrity

Integrity is fundamental to our business. We adhere to moral and ethical principles in everything we do as professionals, colleagues and corporate citizens. Our reputation based on our high standards of integrity is invaluable.

Innovation

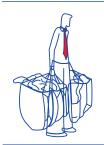

We understand our clients' needs and develop solutions for the most complex or the simplest financial transactions, whether for individuals or institutions. Creativity and innovation are driving factors in everything we do. Therefore, we encourage new ideas that help us address unique opportunities.

Partnership

Our relationship with all our stakeholders reflects our spirit of partnership. Clients see us as trusted advisors, shareholders see us as partners and employees see us as family. We respect, trust and support all our stakeholders.

Performance

We believe in the development of our human resource and continuously hone our skills by setting higher targets of performance for ourselves. We strive to attract, develop and retain the best talent in the industry and also ensure they get their well-deserved rewards.
