### DIVIDEND:

The Board has not recommended any dividend for the year under review in order to conserve the resources of your Company and also considering repayment of outstanding loan and low liquidity.

### FINANCIAL PERFORMANCE & OPERATIONS:

During the year under review, your Company earned a Gross Income of Rs. 317.25 lacs which includes an amount of Rs. 118.08 lacs towards income from trading operations and a dividend income of Rs. 161.28 lacs. After accounting for an expenditure of Rs. 133.39 lacs, interest of Rs. 62.72 lacs and the depreciation of Rs. 1.98 lacs, your Company's profit before tax works out to Rs. 119.16 lacs.

The Board decided to realise the investments to repay the debt of your Company. The Company redeemed last instalment of 14% Debentures and also repaid part of its unsecured loans to its promoter(s) with the ultimate objective of bringing down the borrowing. This is in line with the objective of making your Company a zero debt Company. The Board endeavours to repay the existing unsecured loan.

The Directors believe that by March, 2002, substantial amount of debt in the Company would have been repaid out of the dividend and other income. As your Company has redeemed in full, its 14% Debentures, an amount of Rs. 60.00 lacs has been brought back from the Debenture Redemption Reserve created earlier.

Your Company follows the policy of marking its long term investments to market and provides for diminution, if any, in its value. The loss on sale of long term investments realised during the year under review, therefore has been adjusted by write back of the provision earlier made by your Company on this account.

### FIXED DEPOSITS:

Your Company has neither accepted nor renewed any deposits from shareholders/public during the year under review.

### REDEMPTION OF DEBENTURES:

The fifth and final instalment of 3,00,000 - 14% Non-Convertible Debentures was paid on July 1, 2000 as per the schedule. With this redemption, there are no debentures outstanding in your Company as of date. Your Company has also repaid part of the loan to its promoters, namely, J. M. Financial & Investment Consultancy Services Private Ltd. This will further reduce your Company's interest burden.
