

THOSE WHO DARE TO DREAM,
MUST HAVE THE COURAGE TO FALL,
THE RESILIENCE TO RISE
AND THE PERSEVERANCE TO SOAR

When Farmers Progress, Nation Prosper!

THE PHOENIX IS THE JAIN IRRIGATION STORY!

In Greek mythology, the Phoenix is a magnificent golden bird that has the incredible ability to be burnt to cinders and to be reborn.

For Jain Irrigation, the Phoenix symbolizes and embodies the profound process of renewal, reinvention and the purposeful journey, as envisioned by the founder.

Like the Phoenix, Jain's have faced adversity, setbacks and failures. Whether it was economic downturns, market forces, or unexpected challenges, they found themselves twice in the ashes of their once-thriving businesses.

Embracing the Phoenix spirit, the Jains refuse to be defeated by their circumstance!

They rose from the ashes, driven by a determination to reinvent and rebuild. In the face of challenges, they saw an opportunity for revival, keeping the interests of every stakeholder at the core of their revival strategy.

Again like the Phoenix, the Jains with their indomitable spirit rose up to live their dreams again.

Guided by an incurably optimistic mindset, they analyzed the invaluable lessons learned from past experiences and identified untapped opportunities for transformation and growth.

The Phoenix sheds its burnt feathers, likewise Jains shed their earlier relied strategies and mindset of growth at any cost. They embraced a new Mantra for the future which included financial discipline, sustainable growth and focus on core competencies. Most importantly now, they have partially severed their connection with the Phoenix so that they never have to taste the bitter ashes, yet continue to rise and soar like the Phoenix.

Dear Share Owners,

This has been a year of an extraordinary turnaround achieved by the company for the benefit of all stakeholders.

We believe this is just the beginning of a new journey and we will march on this path with renewed vigour and unbridled optimism. Operational excellence, financial discipline and focussed approach shall be our guiding principles. We assure you of our unflinching efforts to bring back glory to the company.

At times, performance matters more than words! This is such a time. All performance measures are showing significant progress. But we still have some distance to go.

We look forward to your continued support to maintain our resilience while we continue to rise, soar and move forward.

Warmest Regards,

Jain Management Team
