DIVIDENO

in view of the huge loss, the Board of Titrodors hughel their Insblitty to response and payment of any dividend for the year under review.

OPERATIONS:

The Company mark the year under taken as the year of full of despair and deficulty.

During the year under review, the overall operation of the Company continued to be unsatisfactory due to overall economic sceneric and unfavourable conditions pre-valent in the Paper Endustry.

The production of Paper & Paper Board during the year under review has deciled; to 4012 M.T. as against 13176 M.T. In the previous year. However, Selectivatives has decreased from Hs. 3841.44 Lacs to Rs.706.26 Lacs

The Company witnessed drastic reduction of Gross moome from Es. 0.4% Lacs of previous year to Es. (995.01) Lacs for the year under review mainly due to a 2% competition, suspension of production due to unfavourable market conditions, lower margin made available, reconstitions providing in the Paper ladustry. Steep rise in prices of Gas. Electricity and other materials, inadequate and intimely supply of Waste Paper Materials coupled with figuidity crunch and recessionary transportational in the Industry as a whole. As a result the Company was unable to make timely payment to various Gradition. Statutery Authorities, Gujarat Electricity Board etc.

Against the Not Profit of Ea.0.35 Late of the provious year the Company incurred huge losses of Fts.995.01 Lacs on account of loss or sale of investments, huge had subts, heavy interest burden of Loans and other borrowings blocking up of fends in idle and unproductive capital assets, and huge icas accounted mainly due to delay of Expansion Project which recollectly, exercice of profit and not worth of the Company, completely.

STATUS OF THE PROJECT :-

As the members are aware the Company had been setting up a plant of manufacturing 80 TPD of Newsprint at the existing site at Utran, Dist. Surat, Gujarat - 394 105 at the approximate cost of Rs. 1450 Lacs. The Company had imported a second hand Paper Machine from West Germany in the Year 1995. The machine is capable of manufactuing 80 tons per day of Newsrpint as well as other varieties of writing and printing paper.

Delay in the Expansion Project because of untimely disbursement of Loan from Financial Institution and subsequent depression of Market due to heavy dumping of our product mainly Newsprint from Countries like Russia, Indonesia, America, Canada, all the domestic Newsprint manufacturers heavily suffered as well as Jayant Paper Mills Ltd. This heavy cost involved in importing the second hand Paper Machine affected the financial position disturbing the existing activities. The Company has already tried to dispose off this Machine in the market but because of the continuous depression and recession trend in the market, the Company has not been able to sell its second hand imported machine.

As the members are aware that the Government of India had included Newsprint product under Open General Licence (OGL) and allowed free import of Newsprint in Indian Market. The landed price of imported Newsprint has come down drastically and this has adversely affected the domestic price of Newsprint. The Company alongwith other Newsprint manufacturers have strongly represented to the Government that import duty should be imposed on Newsprint in order to foil the attempts to international majors in Paper Industry to dump the product in India at very lower price compared to price at which they are selling in their domestic market. The Directors are hopeful that the Government will take a quick remedial action inorder to protect the domestic industry from dumping by foreign manufacturers. Your Directors are of the view that survival of Paper Industry can be expected only after the anti-dumping duty issue is resolved.

FUTURE OUTLOOK:-

The future outlook of the Company largely hangs on the imposition of anti-jumping duty on imported Newsprint and also on the Banks and participating Financial Institutions favourably considering the Company's proposed revival package.

AUDITOR'S QUALIFICATION:-

The Auditors of the Company have qualified their report in respect of certain matters as referred to therein.

Some of the matters qualified by them are self-explanatory. As mentioned earlier, the Company was faced with several operational, financial and managerial problems on account of various factors beyond its control. In these circumstances, certain irregularities, lapses and non-compliances have occured. However, your Directors are taking necessary corrective actions to remedy and rectify the same at the earliest.

REFERENCE TO BIFR:-

Based on the Audited Financial Results for the year ended 31st March, 1998, the Company has become a "Sick Industrial Company" within the meaning of Section 3 (1) (0) of the Sick Industrial Companies (Special Provisions) Act, 1985. The Company has made a reference in accordance with the proviso to Section 15 (1) of the said Act, to the Board for Industrial and Financial Reconstruction (BIFR).

ENVIRONMENT:-

The zero discharge effluent treatment plant for the Paper Machine is working satisfactorily as per the norms laid down by Gujarat Pollution Control Board.

DEBENTURE REDEMPTION:-

In view of the continued severe liquidity crunch the Company is unable to redeem outstanding amount of first and second instalments of Rs. 35/- each of 14% Secured Non-Convertible Debenture of Rs.100/- each. The Company has taken steps for re-schedulement of payment of first and second instalments with Debenture Trustee and expects to redeem the outstanding amount at the earliest.
