Which is being carried forward to next year.

DIVIDEND

The Directors regret their inability to declare any dividend due to accumulated loss.

OPERATING RESULTS

During the year under review, the Company achieved the lifetime highest production of 23,969 M.T. of Caustic Soda due to better maintenance and improved work culture. The production would have been still higher had the quality of power supplied been better.

In the absence of special power tariff agreement with the Southern Electricity Supply Company of Orissa Ltd. (Southco), the Company was forced to avail supply at normal tariff and hence the cost of power increased considerably. The Company's Application against the Tariff Order of the Hon'ble OERC for the year 2005-06 was turned down. Aggrieved by this, the Company filed an Appeal before the Hon'ble Supreme Court of India which is pending. Application for review of Tariff Order for the year 2006-07 is pending before the Hon'ble OERC.

CURRENT OUTLOOK

The year 2007-08 has begun with declining prices of Caustic Soda, Chlorine and Hydrochloric Acid because of increased availability of these products due to setting-up of additional capacities. However, the prices are now stabilising and are likely to improve.

Production of Salt in Andhra Pradesh and Orissa was affected during the last season owing to inclement weather. As such, there was no carryover stock. The current season started with a great hope, but during the later part there were heavy rains resulting in shortage of salt in our area and accordingly salt will have to be procured from other sources.

Negotiations for special power tariff with Southco are continuing and the Company hopes to have a positive end to these efforts.

The matter of One Time Settlement of the dues of Gridco / Southco is under negotiation.

*Jayshree Chemicals Limited***EXPANSION**

Environment Impact Application of the Company in respect of its expansion-cum-conversion plans has been cleared by the Orissa Pollution Control Board. Now the matter is lying before the Ministry of Environment & Forest, Government of India, for final approval. After such approval, effective steps will be taken for expansion followed by conversion of Mercury Cell Technology into Membrane Cell Technology.

INDUSTRIAL RELATIONS

Relations of the Company with the staff and workers remained cordial throughout the year.

GENERAL

The welfare activities and other community development programmes around the Factory including aid to educational institutions were continued. The Balaji Temple inside the Staff Colony has been completely renovated. The results of the students of Jayshree Chemicals School at Ganjam, who appeared in the ICSE and ISC examinations during the year, were encouraging.

The Company's Shares were listed on Mumbai and Bhubaneswar Stock Exchanges. The Listing Fees for the year ended 31st March, 2007 has been paid to the Bombay Stock Exchange Ltd.

In response to the Company's Application for voluntary delisting of its Equity Shares from the Bhubaneswar Stock Exchange Ltd. by complying with all the requirements in this behalf within 31st March, 2004, the said Stock Exchange, vide their Notification dated 28th September, 2006, delisted the aforesaid Shares therefrom with immediate effect.

The Company's Shares are available for dematerialisation both on National Securities Depository Ltd. and Central Depository Services (India) Ltd. The ISIN No. is INE 693E01016.

The Company places on record its appreciation for the dedicated services of all the Workmen, Staff and Executives. The Company also expresses its gratitude to the State Government, Electricity Authorities, State Bank of Bikaner And Jaipur and the Local Authorities for their continued co-operation and support.
