**ITEM No.9 :**
**Disinvestment :**

The share holders may be aware that the Company has made substantial investments in its group companies like "M/s. Dhandapani Finance Limited" and "M/s. Dhandapani Exports Limited" which are not related to the core activities of the Company. Though these investments have been yielding the desired income, the Board feels that the investments will have to be disposed off to augment cost free funds for working capital for its core business and in turn reduce dependence on the bank borrowings. This will reduce the interest burden and improve profitability. The board at its meeting held on the 28th January, 1999 has decided to disinvest the investments of the equity shares held by its group companies subject to approval of the members at this Annual General Meeting and such disinvestment will also enable the company to concentrate in its core activities. Hence the resolution under item No. 9 is proposed for your consideration.
