ITEM NO.6

Shri.V.M.Rao, a Mechanical Engineer by profession with Science Masters - in Chemical Engineering from the Massachusetts Institute of Technology, U.S.A. and with over four decades of experience in the sugar industry to his credit, and being the Chief Promoter Director of this Company, he was appointed as the Chairman and Managing Director of the Company w.e.f. 2nd April, 1996 for five years during which period he has steered the growth of the Company to its present position. Under his dynamic leadership your Company had consistently maintained profits resulting in growth of the Reserves and Surplus by 68.16 % to Rs.61.06 crores as at 31.03.2000 and increase in the book value per share by 59.33 % to Rs.57.36 in 1999-2000, besides declaring a steady dividend of 25% for each of the financial years from 1996-97 to 1999-2000. For the year ended 31.03.2001 also, the Board has recommended a dividend of 25% subject to the approval of the Shareholders. His vision and insight to the future has enabled the Company to diversify into the downstream industrial chemicals, bio-compost, bio-fertilizers which would come to the support of the Company's bottom-line despite the fluctuations in the industry. His prudent foresight also prompted the Company to reduce the share capital by about 12.06 % thro' buyback of shares. Aimed at consolidating the growth of the Company from within, efforts have been initiated to further automate the manufacturing process, improve operational efficiency by replacing the fifty year old boilers and also by implementing the voluntary retirement scheme. Your Board of Directors have at their Meeting held on 29th January,2001 recommended the reappointment of Shri.V.M.Rao as the Chairman and Managing Director for a further period of five years w.e.f.1st April, 2001. This appointment has since been approved by the Financial institutions.

No other Director other than Shri.V.M.Rao, Smt.Rajeswary Ramakrishnan and Smt.Irmgard Velagapudi may be deemed to be concerned or interested in this resolution.

ITEM NO.7

Your Board of Directors consist of senior seasoned professionals in their respective fields and the Company has during the last five years benefited largely from their experience in guiding the growth of this Company. At the First Annual General Meeting held on 2nd December,1996, the Shareholders had approved the payment of remuneration by way of commission on the profits of the Company not exceeding one per cent subject to a limit of Rs.1,25,000/- (Rs. One Lakh and twentyfive thousand) per Director for each of the five financial years ending with 31st March,2001, in addition to sitting fees paid for the meetings of the Board/Committee. In appreciation of their valuable continuing guidance for the growth of the Company and also considering the attention devoted and responsibilities undertaken by these Non-Whole Time Directors in the activities of the Company, the Board of Directors at their Meeting held on 29th January 2001, recommended the payment of commission not exceeding one per cent of the profits of the Company subject to a maximum of Rs.1,75,000/- (Rs. One lakh and seventyfive thousand) per Director for each of the five financial years from 1st April,2001 ending with 31st March,2006, in addition to sitting fees paid for the meetings of the Board/Committee. Section 309 of the Companies Act, 1956 stipulates *inter alia* that the payment of remuneration to the Non-Whole Time Directors not exceeding one per cent of the profits of the Company could be made if authorized by a Special Resolution.

The Directors, therefore recommend the Special Resolution for the approval of the Shareholders.

Smt.Rajeswary Ramakrishnan, Shri.R.K.Talwar, Shri.N.B.Prasad and Smt. Irmgard Velagapudi may be deemed to be concerned or interested in this resolution.

This year inspite of the difficult position of our industry, the total income of your Company was higher by 17.24 % at Rs.22,204.78 lakhs, largely due to improved production and realization of the products. The operating profits also increased in line with sales leading to a nett increase by 40.94% at Rs.1,668.16 lakhs for the year under review as against Rs.1,183.57 lakhs for the previous year. This was possible even after taking into account the expenditure on account of Voluntary Retirement Scheme and increased interest costs due to replacement of equipments. After providing for a higher tax provision of Rs.300 lakhs (Rs.200 lakhs in previous year), the profit for the year ended 31.03.2001, showed an increase by 39.10 % at Rs.1,368.16 lakhs as against Rs.983.57 lakhs during the previous year. The Book Value of your Share has increased to Rs.69.73 per share as against Rs.57.36 per share for the previous year.

REVIEW OF OPERATIONS :

During the recent 2000 - 01 season, we crushed about 7.95 lakh MTS and this steep drop in the cane crushed arose from natural factors like untimely heavy rainfall, higher mean temperatures during the growth phase which had the impact of reducing the yield per acre by 5 - 6 MTS to 37 MTS at Vuyyuru as against 43 MTS achieved in the previous season. Yet another disturbing factor was the unprecedented increase in the prices of the pulses by about 300 % which led to a large scale diversion from sugarcane to pulses, mostly in the Lakshmipuram area which will have the effect of reducing profitability during the next 2 - 3 years. However, it has been noticed recently that the pulse prices have begun to show a declining

trend and your Board of Directors have initiated steps to augment the availability of cane and are confident of reversing the present trend of diversion to pulses and restoring the minimum quantity of cane at the units in the seasons to come.

The summary of cane crushed, sugar bagged, etc., of both the Sugar units for the last two seasons and financial year wise are presented hereinbelow:

Generally, Vuyyuru's production of various products has improved. The new boilers have also got over the initial problems. Your Company is shifting the Workshop from Vuyyuru to Tada near Nellore in order to provide for better control and nearness to market.

The Statutory Minimum Price announced by the Central Government has been paid within the stipulated time at both the Sugar units. In addition, as a proactive measure in the interests of the Company's relationship with the cane growers, your Board of Directors have announced and also paid adhoc additional prices adjustable against Bhargava formula in respect of the two seasons at both the units. Even though the Bhargava formula is normally announced by the Central Government only about 2 - 3 years after the season is completed, this decision by your Board is to encourage the cane growers shift their focus from pulses to sugarcane. The case filed by the Company questioning the authority of the State Government to fix the State Advised Price for the cane supplied has been decided in our favour by the Division Bench of the Hon'ble High Court of Andhra Pradesh.
