PERFORMANCE OF THE COMPANY

During the year ended 31.03.2013, the Company achieved an overall production of 296 lakh meters of fabrics against the previous year's production of 229 lakh meters. The revenue for the year was Rs.51483 lakhs as against sales of Rs.40007 lakhs during the previous year, representing an increase of 28.7 %. The company has three main product groups, Denim and Apparel Fabrics, Home Textiles and sale of Apparel. All the product groups have performed well during the year.

The increase in volume directly contributed to the increase in profitability.

In the Home Textiles category, company has registered significant growth rate in sales compared to the previous year.

In the Ready Made Garments group also the company has registered significant growth in sales and profit.

The Board of Directors recommends a dividend of 7.50 % (i.e. Rs.0.75) per equity share of the company for the year 2012-13. The Dividend tax payable amounts to Rs.31 lakhs.

INDUSTRY STRUCTURE & DEVELOPMENT

The Indian denim industry is showing steady growth in domestic and international markets.

Our focus remains on sales to leading domestic and international brands in India and also to large exporters of readymade garments. We are concentrating on the Far East Countries of Vietnam, LaosPDR and China besides direct sales to North America. Products are being developed to cater to both retailers and fashion brands thereby gaining advantage in both segments and increasing volumes. Sale of home textiles and apparels improved during the year.

OPPORTUNITIES AND THREATS

The company is targeting higher production and sales volume for denim in the next year. Sales of home textiles and apparel are also expected to achieve higher volumes.

The company is subjected to risks of volatility in the prices of raw materials and fashion changes.

High interest rates and exchange rate volatility areas of serious concern for the company. The company has taken steps to increase the exports and is actively managing the exchange risk by suitable forward cover.
