DIRECTORS' REPORT

The Board of Directors of your company have pleasure in presenting the Twenty Fifth Annual Report of the company together with the audited statements of account for the year ended 31.03.2008.

The financial results are as follows:

	(Amount in Lakhs of Rupees)	
	2007-08	2006-07
Operating income	84	197
Other Income	4	11
Total Income	88	208
Operating and Administrative Expenses	298	228
Depreciation	98	104
	396	332
Net Profit (Loss)	(308)	(124)

The Operating and Administrative expenses constitute 75% of the total expenses. The company has a net loss of Rs. 308 lakhs (Previous year Rs.124 lakhs) after providing for depreciation.

The company has suffered due to severe competition offered by the number of smaller nursing homes offering the same type of services as our hospital, at a lesser cost due to smaller overheads. Our hospital being corporate we have certain fixed type of statutory overheads and we are not able to match their cost without compromising quality and ethical standards in Medical care. Further many of the equipments have become old and obsolete requiring replacement and strengthening of the management was also considered necessary. All this would need a large input of funds and the present promoters were on the look out for a suitable resource. In the meanwhile Sri Kaveri Medical Care, (Trichy) Private Ltd (KMC) which is running a Multi Specialty Hospital in Trichy, has expressed their keen interest in acquiring the shares of the Present Promoters of our company (Seahorse Hospital Ltd – SHL) and take over the Management. After detailed deliberations and due diligence, a Share Purchase Agreement has been entered into between SHL and KMC on 06/02/2008. As per the regulation of SEBI (SAST) necessary formalities, including 20% Open Offer has since been

completed. The company is happy that another hospital KMC which is in growth trajectory is acquiring shares from the Promoters and the Directors wish them best.
