VOLUME

KAJARIA CERAMICS — A BUSINESS SUPERBRAND

The ceramic tile industry is volume-driven.

In this environment, we have progressively ramped up our capacity, resulting in a larger share of the market.

We have done so through a number of proactive initiatives:

- ◆ Increased our capacity 18-fold over 17 years – from 1 mn sq mtrs in 1988 to 18 mn sq mtrs as on March 31, 2005

- ◆ In 2004-05, we increased our annual tile making capacity by 30.44 per cent or 4.2 mn sq mtrs at our Sikandrabad unit

In doing so, we have:

- ◆ Enabled the company to leverage its economies of scale and strengthen its competitive edge

- ◆ Positioned the company to capitalise immediately on emerging opportunities

AT KAJARIA CERAMICS, WHILE OUR GROSS BLOCK
INCREASED FROM RS. 2541.02 MN IN 1999-00 TO
RS. 3605.36 MN IN 2004-05, OUR EMPLOYED CAPITAL

EFFICIENCY

The competitive ceramic tiles industry necessitates a high capacity utilisation.

In this business, we have raised the bar continuously with the objective to strengthen our edge in a challenging market place.

We have done so through the following initiatives:

- ◆ Improved the process to reduce kiln cycle time
- ◆ Streamlined systems to reduce agitator operations
- ◆ Rationalised power consumption by improving operational processes

As a result,

- ◆ We have manufactured in excess of our installed capacity in every single year of our existence
- ◆ We strengthened our EBIDTA from Rs. 447.04 mn in 2001-02 to Rs. 622.60 mn in 2004-05

KAJARIA CERAMICS IS THE FIRST INDIAN
CERAMIC TILE MANUFACTURER TO HAVE
SUCCESSFULLY ADOPTED AND ABSORBED THE

INNOVATION

In the ceramic tiles industry, the first in the market is usually the first in the mind.

In this business, we have addressed evolving consumer preferences with a widening product portfolio - faster than our competitors.

Over the years, we have strengthened our reputation of being able to provide tiles for every application through the following initiatives:

- ◆ Pioneering introduction in India of lustre tiles with a satin finish
- ◆ Pioneering introduction of 'Group 5' tiles in India for use in heavy footfall areas like malls, shopping centres and airports
- ◆ Pioneering introduction of the internationally popular, large format wall tiles for use in bathrooms; stone finish floor tiles to provide a rustic look; Rectificado tiles for seamless glamorous floors
- ◆ Pioneering introduction of premium tiles outsourced from international Spanish and Italian brands for discerning consumers, and showcasing them through our Kajaria World outlet

As a result,

- ◆ Kajaria Ceramics offers more than 400 different tile varieties, among the widest in India
- ◆ 'Kajaria' has been rated as one of the top economic brands by CMIE in one of its recent surveys
- ◆ 'Kajaria' is synonymous with innovation in the Indian ceramic tile industry
- ◆ Kajaria provides a complete solution of tiles – from ceramic tiles in different shapes, designs and sizes to imported vitrified and designer tiles
