2. REVIEW OF OPERATIONS :

The company has recorded negative result due to several adverse factors effecting the textile industry like high cotton prices, yarn prices not moving in tune with the raw material costs. During the year the Company achieved a turnover of Rs.2402 lacs as against the turnover of Rs.2242 lacs achieved in 1997-98 registering an increase of 7.14% over the previous year. The company made exports of Rs.1736 lacs which is 72.27% of total turnover. The company is expected to reach its installed capacity of 18144 spindles by 30th June this year. The management has made every effort in procurement of quality raw material, utilisation of plant at optimum level for bringing down the cost of production. The product of the Company is moving fast in export front due to quality concept observed at all levels of management, which may stimulate further improvement in export sales.

Out of the Foreign Currency Term Loan (FCTL) USD 11,20,000 sanctioned by Andhra Bank, USD 8,57,178 were utilised. The balance unspent dollars were converted to Rupee Term loan of Rs.70 lacs. Out of term loans two LK 250 Combers and 4032 spindles were added during the financial year under review.

We are pleased to inform you that Andhra Pradesh Govt had sanctioned Mini Hydal Project on 16th & 17th branch canal of NS left canal near Nelakonda Palli, Khammam Dist. The company had entered into MOU with NEDCAP. There are total three power houses with a total capacity of 4.0 MW. The company is planning to take up the project in a phased manner

3. FUTURE OUTLOOK:

The Company will be increased its production capacity to 18144 spindles by June, 1999. Consequently the turnover is expected to touch 30 crores which may provide for positive line of profitability again.
