Chairman's Message

Dear Shareholders,

Warm greetings to you all;

I, once again take this opportunity to present the excellent financials of 2012-13 and heartily invite you all to the 28th Annual General Meeting of your Company.

The global economic scenario continues to remain uncertain. Growth in India has slowed down too. The fluctuations in polymer prices, fluctuations in foreign currency exchange rates where INR value depreciated against US dollar are major concern. All these led to rise of input cost.

Despite these facts, the Company has reported highest ever sales turnover of Rs. 1179 Crores during the financial year 2012-13. However, earnings for the year under review are slightly lower as compared to previous year mainly because of high finance cost.

Your Company continues to march ahead in its vision to be the leading manufacturer of Polymer compounds in the country. You will be glad to know that your Company has already set up a Flexible Packaging Project at Dankuni (West Bengal). This is a step towards diversification. The total project cost is estimated at Rs.150 crore. The commercial production is expected to start from 1st September, 2013. As a backward integration, Kalpena has also invested in manufacturing of Industrial Ink at Bhasa, where commercial production has already started.

In its drive towards the strategic expansions, your Company has commissioned a new production unit at Surangi, with capacity of handling 200,000 TPA of its products. This unit is spread over an area of approximately 56000 square metres and having FSI available to the extent of 500,000 square metres of construction. The production capacity at Bhiwadi, Daman and Silvassa has been shifted to the new unit. The full capacity utilization is expected between December 2013 and June 2014. The new unit is producing various grades of Compounds which include XLPE, HFFR, Filled PP for furniture & appliances, Filled PE Compounds

for antifab used for Woven Sack, White & Black Master Batches, Rigid and Flexible PVC Compound used for Cable insulation, Footwear & Pipe jointing and other value added compositions like Zero Halogen Fire Retardant Compound and Engineering Plastics. Your Company also has more expansion projects in pipeline for catering to the untapped regions to enlarge geographic footprint in various parts of the country.

Today, your Company has one of the strongest operating matrix in the Plastic industry in India. With its cost competitiveness, quality products, a robust marketing distribution system and extensive network, your Company has reinforced its formidable brand position.

Your Company has taken timely and adequate steps in the area of its financials to ensure healthy leveraging and availability of adequate financial resources to meet its ever growing aspirations.

I am very happy to announce that your Directors have recommended a dividend of 12% for 2012-13 on paid up capital.

Lastly, I sincerely wish to thank my colleagues on the Board, the dedicated Management team and employees at all levels for their unflinching support. I would also like to thank the Company's shareholders, distributors, vendors and financial institutions for their unstinted support.

With Best Regards,

Narrindra Suranna

The Ministry of Corporate Affairs (MCA), Government of India, has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies after considering the relevant sections of the Information Technology Act, 2000, for legal validity of compliances under Companies Act, 1956 through electronic mode. The MCA has vide circular Nos. 17/2011 dated April 21, 2011 and 18/2011 dated April 29, 2011, provided that a company would have complied with Section 53 of the Companies Act, 1956, if the service of documents has been made through electronic mode, provided the company has obtained the e-mail addresses of its members for sending the notice / documents through email by giving an advance opportunity to every member to register his / her email address and changes therein from time to time with the company. In cases where any member has not registered his / her e-mail address with the Company, the service of documents etc. will be effected by other modes of service as provided in Section 53 of the Companies Act, 1956.
