KALYANI FORGE LIMITED

ANNEXURE TO THE NOTICE:

Explanatory Statement as required by Section 173 of the Companies Act, 1956:

Item No.5:

Mr. C. H. Naniwadekar was appointed as an Additional Director on 6th October, 2006, by the Board of Directors of the Company. According to provisions of Section 260 of the Companies Act, 1956, he holds office as Director only up to the date of the ensuing Annual General Meeting. As required by Section 257 of the Act, notice has been received from a member signifying his intention to propose his appointment as a Director.

Mr. Chandrasekhar H. Naniwadekar, 50 years, is a Practicing Chartered Accountant, and has been in practice for the last 20 years. After passing his Chartered Accountancy examination, he started his career as Manager Finance Department with Cummins Diesel Sales and Services (I) Limited, and soon became Chief of Finance of the Company. In 1987, he started his own independent consultancy firm. He has vast experience in the fields of Audit, Finance and Company Law. He is an expert on Taxation Matters. Besides being a Director on the Board of Kalyani Forge Limited, he is also advisor to reputed groups and Companies, and Director of various Companies.

He does not hold any equity share in the Company.

Except Mr. C. H. Naniwadekar, no other Director may be deemed concerned or interested in the resolution. The Board recommends adoption of the Resolution.

Item No.6:

Pursuant to the provisions of Clause (d) of Sub-section (1) of Section 293 of the Companies Act, 1956, the Board of Directors cannot borrow more than the aggregate amount of the Paid up Capital of the Company and its Free Reserves at any one time, except with the consent of the Shareholders of the Company in a General Meeting. At the Annual General Meeting of the Company held on 21st day of September, 2005, consent of the Shareholders had been obtained for the Directors to borrow up to a maximum amount of Rs.100 crores(Rupees One Hundred Crores only)

Over the last few Financial Years, the Company is in the process of investing in Fixed Assets for expansion programme and also in its newly formed Precision Autocomp Division and that borrowing is one of the sources for such investments. Moreover, the Working Capital utilization has also been increasing with increase in Turnover. It is expected that the ceiling fixed by the Shareholders of the Company for borrowing will be exceeded in the near future. Your Directors thus place before you the proposal to increase the maximum borrowing limit to Rs.200 crores (Rupees Two Hundred Crores only), irrespective of the fact that such amounts to be borrowed together with the amounts already borrowed by the Company (apart from temporary loans obtained from the Banks of the Company in the ordinary course of business) exceed the aggregate of the Paid up Capital and Free Reserves of the Company as on that date.

None of the Directors of your Company may be deemed concerned or interested either directly or indirectly in the said proposal and recommend your approval thereof in the interest of the Company.
