ANNEXURE TO THE NOTICE

Explanatory Statement as required by Section 173 of the Companies Act, 1956

The following explanatory statement sets-out, as required by Section 173 of the Companies Act, 1956, the material facts relating to Item Nos.7 to 9 mentioned in the accompanying notice dated 24th May, 2013

ITEM NO.7

The members will recall that at the 17th Annual General Meeting held on 6th September, 1990, a resolution was passed pursuant to provisions of Section 293(1)(d) of the Companies Act, 1956, authorising the Board of Directors to borrow for and on behalf of the Company, upto an amount not exceeding ₹ 3,000 Million over and above the aggregate of the paid-up share capital of the Company and its free reserves.

With the expanding activities of the Company, this limit needs upward revision. With a view to provide for future requirement of funds, including proposed Capex for Cost Reduction Initiatives, Setting-up of Coke Oven along with DRI plant based on Coke Oven gas, and a Pellet Plant, it is now proposed to raise this borrowing limit to ₹ 10,000 Million, over and above the aggregate of the paid-up share capital of the Company and its free reserves.

Section 293(1)(d) of the Companies Act, 1956, stipulates that the Board of Directors shall not, except with the consent of the Company in general meeting, borrow money (apart from temporary loans obtained from Company's Bankers in the ordinary course of business), in excess of aggregate of the paid-up share capital and free reserves that is to say reserves not set apart for any specific purposes. The Board recommends the resolution for your approval.

None of the Directors of the Company is in any way, concerned or interested in the said resolution.

ITEM NO.8

The long-term Funds being raised by the Company, by way of term loans / foreign currency loans / debentures etc. for meeting Capex for Cost Reduction

Initiatives, Setting up of Coke Oven along with DRI plant based on Coke Oven gas, and a Pellet Plant, along with the working capital limits being availed by the Company will be required to be secured by a hypothecation and / or mortgage charge on all the Assets, properties and undertakings of the Company, present and future.

Section 293(1)(a) of the Companies Act, 1956, provides, inter alia, that the Board of Directors of the Company shall not without the consent of the Company, hypothecate, mortgage, charge or otherwise encumber the whole or substantially the whole of the undertakings of the Company. The resolution as set-out at Item No.8 of the Notice is, therefore, proposed under Section 293(1)(a) and other applicable provisions of the Companies Act, 1956, which the Directors recommend to the Members for approval.

None of the Directors of the Company is in any way concerned with or interested in the resolution.

ITEM NO.9

Mr.R.K. Goyal was appointed as the Managing Director of the Company for the period of five (5) years from 17th January, 2011 to 16th January, 2016 and the said appointment was approved by the members by way of an Ordinary Resolution at the Thirty-Eighth Annual General Meeting of members held on 12th August, 2011.

In view of the inadequacy of profits during the year 2011-12, the Company obtained the approval of the members by way of a Special Resolution for payment of then existing remuneration as 'Minimum Remuneration' at the Thirty-Ninth Annual General Meeting of members held on 28th July, 2012.

The Board of Directors at their meeting held on 24th May, 2013, has revised the remuneration payable to Mr.R.K. Goyal, Managing Director for the period from 1st April, 2013 to 16th January, 2016.

Pursuant to the provisions of Sections 198, 269, 309 and other applicable provisions, if any of the Companies Act, 1956, read with Schedule XIII, to the said Act, remuneration to one managerial personnel shall not exceed 5% of the net profits, computed in accordance with Sections 349 and 350 of the Companies Act, 1956, except with the approval of the members by way of Special Resolution. Approval of the Central Government is also required, if the managerial personnel is having any interest in the capital of the Company or its holding company, directly or indirectly or through any other statutory structures and having any direct or indirect interest or related to directors or promoters of the Company or its holding company at any time during the last two years.

Since the revised remuneration payable to managerial personnel i.e. Mr.R.K. Goyal, Managing Director may exceed the said ceiling limit of 5% of profits, approval of the members is requested by way of a Special Resolution, to pay the remuneration more specifically mentioned at Resolution No.9 of the Notice. Approval of the Central Government is not required since Mr. Goyal does not hold any Equity Shares of the Company nor have any direct or indirect interest or related to directors or promoters of the Company. The Remuneration Committee of Directors at its meeting held on 24th May, 2013, had approved the revision in remuneration of Mr.Goyal.

The Directors recommend the resolution at Item No.9 for approval of the members. Mr.Goyal may be regarded as concerned with or interested in the resolution. No other Director of the Company is interested in the resolution.

III Other Information

1. Reasons for loss or inadequate profits :

The members are aware of the Iron Ore mining ban imposed by the Hon'ble Supreme Court vide its Order dated 29th July, 2011 and 5th August, 2011, in the State of Karnataka. As a result of the mining ban, the iron ore production declined drastically in the State of Karnataka and the Company was required to operate at a lower capacity.

The Hon'ble Supreme Court later allowed NMDC Limited (NMDC) to mine 1 Million Tons of Iron Ore per month and sell it to steel plants through e-Auction. The Hon'ble Supreme Court also allowed selling 1.5 Million Tons of Iron Ore per month through e-Auction from the then existing stocks of 25 Million Tons in the State of Karnataka. However, subsequently a cap of 30 Million Tons per annum was put on the total production of Iron Ore from the State of Karnataka. The decision of selling Iron Ore through e-Auction and limiting the mining quantity in the State of Karnataka led to speculative prices, which in turn led to closure or lower capacity utilization of steel plants in the State of Karnataka.

After closure of mines, the leases for Iron Ore mining had been categorised by the Hon'ble Supreme Court appointed the Central Empowered Committee (CEC) as 'A', 'B' and 'C', based on the level of illegalities.

On 3rd September 2012, the Hon'ble Supreme Court allowed mining in 18 Category 'A' mines and on 18th April, 2013, permitted re-opening of remaining Category 'A' mines (27 in number) and Category 'B' mines (63 in number). Thus, 108 out of the 166 mines in Karnataka are allowed to resume operations after compliance of stringent conditions laid down by the Hon'ble Supreme Court, subject to cap of 30 Million Tons, per annum on the total production of Iron Ore in the State of Karnataka. The decision regarding remaining mines in Category 'B' is pending and will be taken in due course by the Hon'ble Supreme Court. The Hon'ble Supreme Court cancelled 49 leases of Category 'C' mines.

Although the Hon'ble Supreme Court took commendable steps in its decisions for clampdown on the illegal mining, Category 'A' and 'B' mines may take even two years of time for implementing all the 'Reclamation and Rehabilitation (R & R)' Plans and opening of all the Category 'A' and 'B' mines.

In the given situation, the Company has no other option than to procure iron ore by participating in e-Auction conducted by Monitoring Committee. Due to short supply of iron ore, the prices of iron ore have become speculative and almost doubled, putting pressure on the operating margins of the Company.

2. Steps taken or proposed to be taken for improvement :

The Company has completed installation of sinter plant, coal injection system and stoves on blast furnaces. The Company expects to achieve substantial cost savings, by taking these initiatives, thus improving margins.

3. Expected increase in productivity and profits in measurable terms :

In the steel industry, cost is the main driver for competitiveness and the majority of the cost of production is contributed by raw materials, mainly iron ore and metallurgical coke. Any improvement in the availability and pricing of the iron ore will result in reduction in the manufacturing cost, making the products of the Company more competitive. The demand for our Company's products from various customer segments will consequently increase. The Company is prepared to respond to the increased demand and expects to achieve improved performance in future.

The above may be regarded as abstract of the terms of appointment and memorandum of interest under Section 302 of the Companies Act, 1956.
