#### 4. OPERATION

The year gone by has been a very difficult and challenging year for the Company in terms of business of leasing of vehicles. The recession, which begain in 1997 in the transportation business has not shown any sign of abatement and this caused irregular payments by transporters and in many cases the Company was forced to reduce the lease period and had to seel these vehicles in the open market which resulted in very steep loss on sale of vehicles. The Company therefore decided to diversify in the field of Commercial activities i.e. dealing in cloth and steel, which curbed the loss to Rs. 42.10 lacs as against the net profit of Rs. 21.36 lacs in the year 1997-98.
