ANNEXURE TO THE NOTICE

Explanatory Statement as required by Section 173 of the Companies Act, 1956

Item No. 6:

The proposed resolution is an enabling resolution, which relates to the proposal of the Company to offer, issue and allot either in India or in the course of an international offering in one or more foreign markets, by way of equity shares / depository receipts / foreign currency convertible bonds (FCCB) / fully convertible debentures / partly convertible debentures / qualified institutional placements (QIP's) or any other financial instruments convertible into or linked to equity shares or otherwise, or any one or combination of such securities, in one or more tranches through Public Issue(s), Rights Issue(s), Preferential Issue(s), Private Placement(s) or a combination thereof and on the terms and conditions as may be decided by the Board of Directors or any Committee thereof, at its absolute discretion, for an amount not exceeding Indian Rupees 25 crore (approximately) or equivalent foreign currency inclusive of premium payable on conversion, if any.

The objects of this issue is to enhance financial flexibility of the Company to fund the capital expenditure plans of the Company and/or to part finance expansion/modernization and/or acquisition/investments. The Company is exploring alternatives to mobilise resources from various available sources. Presently, it is proposed to raise a sum upto Indian Rupees 25 crore (approximately) or equivalent foreign currency.

The detailed terms and conditions for the offer will be determined in consultation with Advisors, Lead Managers, Underwriters and such other authority or authorities and agencies as may be required to be consulted by the Company considering the prevailing market conditions and other relevant factors. The pricing of the international offering(s), if any, will be free market pricing and may be at a premium or discount to the market price in accordance with international practice, subject to applicable rules, regulations etc. As the pricing of the offering(s) will be decided at a later stage, the exact number of securities or shares to be issued will depend upon the price so decided. For the aforesaid reasons, an enabling resolution is being proposed to give adequate flexibility and discretion to the Board to finalise the terms of the issue. However, it may be noted that according to the Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993, (the FCCB Scheme) the pricing of GDR /FCCB issues should be made at a price not less than the higher of the following two averages:

- (i) The average of the weekly high and low of the closing prices of the related shares quoted on the stock exchange during the six months preceding the relevant date;
- (ii) The average of the weekly high and low of the closing prices of the related shares quoted on a stock exchange during two weeks preceding the relevant date.

The relevant date means the date thirty days prior to the date of this Annual General Meeting.

Securities issued pursuant to the international offering(s), if any, will be listed on the Luxembourg Stock Exchange and / or London Stock Exchange and / or Singapore Stock Exchange and / or other Exchange(s) outside India and may be represented by Securities outside India.

The Special Resolution seeks to give the Board powers to issue Securities in one or more tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies, individuals or otherwise as the Board may at its absolute discretion deem fit. Section 81(1A) of the Companies Act, 1956 provides, *inter alia*, that when it is proposed to increase the issued capital of the Company by allotment of further shares, such further shares shall be offered to the existing shareholders of the Company in the manner laid down in Section 81(1A) unless the shareholders in a general meeting decide otherwise.

The Listing Agreement entered into by the Company with the Bombay Stock Exchange/National Stock Exchange of India Ltd. on which the Company's shares are listed provides, *inter alia*, that the Company in the first instance should offer all the shares to be issued by the Company for subscription on a pro rata basis to the equity shareholders unless the shareholders in a general meeting decide otherwise.

The said Special Resolution, if passed, shall have the effect of allowing the Board on behalf of the Company to offer, issue and allot the Securities otherwise than on pro rata basis to the existing shareholders.

The Board of Directors believes that such issue is in the interest of the Company and therefore recommends the resolution for your approval. No Director of the Company is interested or concerned in the said resolution.
