New Ideas For a New Generation

To continue staying relevant in an evolving market, we maintain a high level of flexibility in our strategy, operations, and financial planning. We strive to stay ahead of the curve by leveraging our storied past and prior learnings, while monitoring and adopting the latest trends across distinct product categories and demographics.

Kewal Kiran Clothing Limited (KKCL) has weathered several economic volatilities over the years. During our journey, we have invested our resources in developing powerful brand names, resilient production capabilities, and a robust distribution network. Simultaneously, we have always shunned high-risk leveraged expansion in favour of establishing substantial financial reserves to cushion the impact of any unexpected downturn, such as the COVID-19 pandemic we are facing today.

At KKCL, we believe in the tried-and-true value and importance of being trendy, adaptable, and forward-thinking. Our innovative approach to building and keeping up with trends and meeting customer requirements stands as a testament of our commitment towards fashion that is fresh and generates excitement.

Our Roads Lead to Evolution

Our flexible approach allows us to cater to a wide spectrum spanning casual, formal, semi-formal, and western wear for men and fusion wear for women.

Our aim is to cultivate the culture where every stakeholder shall have a long-term vision and all shall work in a cohesive team to achieve our shared long-term vision.

SEAMLESSNESS

We work together across functional, geographical and hierarchical levels to achieve our business objectives. We exhibit openness, teamwork, shared responsibilities and a collaborative approach in our day-to-day functioning.

RESPECT AND HUMILITY

Every stakeholder, including employees, vendors and business partners, is treated with great respect and humility. They admit what they do not know, actively listen to ideas/suggestions from people at all levels and let their work speak instead of talking about it.

OUR PORTFOLIO

BRANDS THAT INSPIRE

With a wide collection of branded stores, we appeal to different fashion categories, such as clothing, footwear, and accessories. Our brands are divided into three segments, which are Premium Luxury, Premium Mid-Market and Premium Mass Market along with specialised fashionwear, partywear, lounge wear and athleisure. Despite stiff competition from foreign brands, our five prominent Indian clothing and accessories brands and two prominent Indian retail trade names have successfully etched a space for themselves with a loyal customer following.

Our flagship brand embodies the spirit of the youth and reimagines denim, giving it a distinctive personality.

A glamorous brand that specialises in denim and partywear for the youth. Lawman Pg³ has taken over the showbiz magazine CineBlitz and rebranded it to reflect the brand DNA of glamour and elegance.

With this collection of semi-formal menswear, produced from the highest quality materials, we are redefining corporate fashion in India.

Our latest brand is in the investment phase, with substantial long-term potential and unique prospects to fuel future growth.

A one-stop destination for the fashion-conscious, K-Lounge stores showcase KKCL's home-grown apparel and other accessories.

Our second-largest brand, which lends a genuine and trustworthy value proposition across professional and casual clothing, echoing the ambition and enthusiasm of millennials.

ADDICTIONS

The accessories wing of KKCL, Addictions offers lifestyle products such as deodorants, watches, wallets, belts and innerwear.

STEADY AND STRATEGIC EXPANSION

Long-term consumer recall is made possible by our powerful “phygital” network. By constantly positioning ourselves at the right places, we have established a leadership position in the apparel and lifestyle industry.

To promote sales growth, KKCL has established a broad footprint of directly managed and franchised stores with a presence in large format stores, multi-brand outlets (MBOs) across multiple formats, carefully selected exclusive-brand outlets (EBOs) and several leading e-commerce portals.
