The Directors, however, are of the view that it is prudent to conserve resources for current operations and regret their inability to recommend any dividend for the year under review. The Directors hope that the Shareholders appreciate their concern.

REVIEW OF PERFORMANCE

The total income of the Company during the year under review was Rs.101.31 crores compared to Rs.98.26 crores in the previous year representing an increase of Rs. 3.05 Crores. The Company's sales would have

been higher but for the suspension of operation of the Sugar Unit caused by uneconomic sugar prices and unsustainable cane prices imposed on the Industry. However, the Distillery Division continued to function well.

The management has also found that running the sugar mill under the present circumstances is very uneconomical. The proposal to empower the Board of Directors to take suitable decision regarding the sugar mill is before the shareholders.

Taking into account the current performance of the Distillery Division it is expected to do even better during the year 1998-99.
