#### Performance

Your Company continued to maintain its upward trend by registering a Turnover of Rs. 1337.61 lacs as against Rs.1135.99 lacs in the previous year. General recession in the economy had been the major hindrance in achieving targets. Profit before Depreciation, Interest and Tax increased from Rs.211.61 lacs in the last year to Rs. 239.11 lacs in the current year. However, the ban imposed by Government authorities on construction of new buildings in the region of Gujarat, Rajasthan, Madhya Pradesh and Vidharbh Region of Maharashtra due to shortage of water, had a severe impact on the profit margin from such areas. Moreover, further pressure on account of increased cost of borrowings resulted in decline in profit before tax from Rs. 67.78 lacs to Rs.49.00 lacs

Barring unforseen circumstances, your Directors are confident of achieving better results in the ensuing year.

#### Dividend

Your Directors are pleased to recommend a dividend of Re.0.50 per share (5% on par value of Rs.10/ -) on the Equity Share Capital of the Company for the year ended 31st March, 2001. The dividend if approved at the forthcoming Annual General Meeting will be paid out of the profits of the Company for the year to all those equity shareholders whose names appear on the Register of Members of the Company on 17th September, 2001 being the first day of the book closure and to those, whose names appear as beneficial owners on the records of the National Securities Depository Limited and Central Depository Services (India) Limited on the said date.
