### Forward looking statement

In this Annual Report, we have disclosed forward-looking information to enable Stake Holders to comprehend our prospects and take Relative decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

## Product Segments

Kisan Mouldings Limited (KML) has built a plethora of products in the plastic piping and irrigation industry and is positioned to gain traction in the market there by bringing in with it stronger sales, higher growth, improved customer services and higher profitability. The products address the needs of various customers spanning from architects, builder, farmers and individuals.

The refresh in the existing product line and the introduction of new products are uniquely placed to cater to different target markets. This gives KML the confidence to be aggressive in re-gaining market share. We are confident of the fact with the investments made in technical know-how and the product line will reap rich dividends over the coming years.

Our Product basket consists of the following:

1. **KML CLASSIC CPVC Plumbing System:** The Chlorinated Polyvinyl Chloride pipe is manufactured at the plant which is located in Boisar, Maharashtra the usage of these products is mainly Residential, Commercial Buildings, Hotels, Educational Institutions and Swimming Pools whose application is used to distribute water of both hot and cold temperatures. The products are manufactured using high quality resin and technology from Japan. The pipes are free from corrosion and work well in conditions where the soil or atmospheric conditions are at an extreme. The CPVC pipes are usually known to have longer life expectancy (50 years) in comparison to the galvanized iron pipes.
2. **FREE flow UPVC plumbing pipes (ASTM):** The Unplasticized Polyvinyl Chloride (UPVC) pipes are manufactured in the state-of-the-art plants based in Tarapur location. These pipes are used in multifarious application like any other CPVC product. The pipes are mainly installed for transporting drinking water without causing any changes to the water properties. The pipes manufactured by KML are chemical and corrosion resistant and are durable and stronger. The pipes are easy to install, low in maintenance and high life expectancy making it a cost effective solution for the user.

3. **Soil, Waste & Rain water system (S.W.R.):** These pipes find their usage in drainage & sewerage applications and are more superior and durable than the conventional drainage systems.

These pipes are available in the range of Permafit and Classic with diameters ranging from 40mm to 200mm. These pipes are light in weight and cost effective. The pipes of such kind do not require maintenance or inspection which is why its performance is always unblemished. The SWR pipes are also less prone to damage during transit and the pipes are corrosion and rodent resistant.

4. **Irrigation systems:** Irrigation is an important aspect of farming and agriculture in India. It means supplying water to regions/areas which are dry and mainly will be used for cultivation. India being an agrarian economy, irrigation continues to be the backbone. In order to facilitate irrigation, KML manufactures products which are mainly drip and sprinkle irrigation. The irrigation products enable to save water consumption by 50-70%. It has also shown significant increase in the yield of the crop.

5. **Solvents:** : The solvent cements are used mainly for joining the pipes and fitting. These solvents vary for the different kind of pipes i.e. UPVC, CPVC, HDPE and are available in plastic pet bottles, cans, carboys and barrels.

### 2. INDIAN ACCOUNTING STANDARDS:

Pursuant to the notification issued by the Ministry of Corporate Affairs dated February 16, 2015, notifying the Companies (Indian Accounting Standards) Rules, 2015, the Company has adopted Indian Accounting Standards (Ind-AS) with effect from April 1, 2017.

### 3. FINANCIAL PERFORMANCE:

On Standalone and consolidated basis, the revenue from operations for Financial Year 2022-23 stood at ₹ 27299.36 lakhs as compare to ₹ 30716.88 in the previous year 2021-22,. The Company incurred a loss of ₹ 5450.62 lakhs in the FY. 2022-23 as compared to ₹ 8508.64 Lakhs in the previous year FY. 2021- 22.

A decrease in turnover was on account of reduction in unit sales as compared to previous year. There has been disproportionate hike in raw material and other input cost across the board and strain in fully passing on the increased input cost to the consumer resulted in increase in losses during the year under review.

In order to increase further sales in the near future, the Company is planning to adopt various strategies and programmes which will boost the demand for the Company's products. The Company is of the view to focus on magnifying innovations in the marketplace through brilliant execution and on building markets of the future or what we call as 'market development' and thereby enhancing stakeholders value.

### 4. TRANSFER TO RESERVES:

During the year under review, the Company has not transferred any amount to any Reserves.

## 5. DIVIDEND:

In view of the losses incurred, your directors do not recommend any dividend during the year under review.

## 6. SHARE CAPITAL:

Issued, subscribed and paid up equity share capital of the Company is ₹ 33,86,30,650/- divided in to 3,38,63,065 Equity shares of face value of ₹ 10/- each.

There is no increase in paid up equity capital during the year under review. Further, the Company has neither issued any shares with differential voting rights nor granted any stock options or sweat equity and does not have any scheme to fund its employees to purchase the shares of the Company. No further, no securities are issued during the year under review.

## 7. CONSOLIDATED FINANCIAL STATEMENTS:

The Consolidated Financial Statements of the Company are prepared in accordance with the relevant Indian Accounting Standards issued by the Institute of Chartered Accountants of India and forms as an integral part of this Report.

## 8. DEPOSITS:

During the year under review, your Company has not accepted any deposits within the meaning of Section 73 and Section 76 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules, 2014.

## 9. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION BETWEEN THE END OF FINANCIAL YEAR AND DATE OF REPORT AND CHANGE IN NATURE OF BUSINESS OF THE COMPANY:

There are no other material changes and commitments affecting the financial position of the Company between the end of the financial year and date of this report. There has been no change in the nature of business of the Company.
