MANAGEMENT DISCUSSION AND ANALYSIS

This report discusses and analyses the performance for the year ended 31st March, 2007.

➤ Overall review of Operations

The Company is in the business of manufacturing and exporting garments. The Company made commendable achievement in the export of garments during the year under review. Total turnover reported for the year is Rs. 16320 lakhs, which is the record turnover since inception.

➤ Industry

The textile and garments industry plays a pivotal role in the economy. Garment industry is now emerging as a major foreign exchange earner for the country.

➤ Opportunities and Threats

There is tremendous market potential for garments worldwide and this can be seen from the performance of the company for the year.

The conglomerates in America and Europe manufacturing and dealing in textiles and garments will be forced to depend upon India or China to get the required output at the lowest possible cost either by outsourcing or contracting.

However we perceive threats by way of competition from the neighbouring countries like China, Pakistan and Srilanka. Although the competition is hectic we have an edge over others with our quality and timely execution of orders.

➤ Outlook

The company is taking all efforts to improve the quality and productivity to get more orders at competitive rates. Barring unforeseen circumstances the company is confident of achieving better results in the current year.

➤ Internal Control Systems and their Adequacy

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorised, recorded and reported correctly.

The internal control is exercised through documented policies, guidelines and procedures. It is supplemented by an extensive program of internal audits conducted by in house trained personnel. The audit observations and corrective action taken thereon are periodically reviewed by the audit committee to ensure effectiveness of the internal control system. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data, and for maintaining accountability of persons.

➤ Financial and Operational Performance

Please refer Board Report on performance review.

➤ Human Resources/Industrial Relations

The Company's HR philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel.

The Company is giving direct employment to 3255 employees compared to 2374 employees of previous year. Industrial relations are cordial and satisfactory.

➤ Cautionary Statement

Statements made herein describing the Company's expectations or predictions are "forward-looking statements". The actual results may differ from those expected or predicted. Prime factors that may make a difference to the Company's performance include market conditions, input costs, govt. regulations, economic developments within/outside country etc.
