Abbreviations used in the Annual Report

IOD: Intimation of Disapproval or Authorisation (first permit for construction); key approval or milestone in redevelopment projects
OC: Occupation Certificate (facilitating apartment handover)

At Kolte-Patil Developers Limited, we have built a business model designed to resist sectorial downtrends on the one hand and capitalise disproportionately on economic rebounds on the other.

The objective at our Company is not merely to resist the slowdown; it is to grow and enhance value attractively through the slowdown, validating our outlier positioning.

A positioning described in two words.

Anti-fragile.

Kolte-Patil Developers Limited.

One of India's most exciting real estate development companies.

Not because it markets more apartments in Pune than any other Company...

Footprint

Kolte-Patil Developers Ltd. is one of India's leading residential real estate companies. The Company was formed nearly three decades ago with the philosophy of 'Creation, not Construction'. Over the years, the Company has established itself as one of the leading residential real estate developers in the country.

Even as the Company is headquartered in Pune, it is present in three Indian markets with attractive potential – Pune, Mumbai and Bengaluru. The Company has been enjoying a dominant position in Pune for years, holding its ground against national builders of repute. The Company has developed and constructed over 50 projects, including residential complexes, commercial complexes and IT Parks covering a saleable area of over 20 million square feet across the markets of its presence.

Promoters

The promoters of Kolte-Patil Developers Limited possess three decades of rich sectorial experience. The result is that the Company has weathered a number of market cycles, validating its competitiveness in even some of the most challenging economic phases. The promoters validated their employees-first commitment when they voluntarily took a 50% salary reduction in FY21 to tide over the COVID-19 uncertainty.

Track record

The Company has delivered over 20 million sq ft of residential units across Pune, Bengaluru and Mumbai in its existence. The Company had about 10 million sq ft under execution (sold and unsold) by the close of FY20.

Credit rating

The Company is not only a respected developer; it is also one of the least leveraged, with an established track record of positive operating cash flows. The Company enjoyed CRISIL A+ / Stable rating, one of the highest ratings accorded to an Indian residential real estate developer by CRISIL.

But because it refuses to believe that a market is so bad that nothing can sell.

But because it refuses to be convinced that a word called 'impossible' exists.

But because it refuses to believe that you need to mobilise debt to enhance shareholder value.

But because it refuses to believe that you need to have compromised profitability to enhance revenues.

But because it refuses to accept post-tax profit as the sole index of growth but prioritises the role of cash flows as well.

But because it believes that it is not just profit generation but prudent capital allocation that makes companies truly successful.

Marquee investors

The Company attracted prominent global investment firms to invest in its projects, validating the Company's competence and credibility. For instance, the prominent Kohlberg-Kravis Roberts (KKR) committed ₹193 Crore in R1 sector of Life Republic, Pune; the Company entered into a ₹120 Crore agreement with an affiliate of J.P. Morgan Asset Management for its redevelopment project Jay-Vijay Society in Vile Parle (E), Mumbai. Portman Holdings accounted for 49% of the Company's Tuscan Estate property (Pune). ASK accounted for 70% of Three Jewels. The Company's shares are owned by prominent foreign institutional investors like Pabrai Funds (9.7%) and Goldman Sachs (3.7%), among others, as on 31 March, 2020.

Brands

Kolte-Patil markets projects under two brands: 'Kolte-Patil' (addressing the mid-priced and affordable residential segment) and '24K' (addressing the premium luxury segment). The Company executed projects in multiple segments – standalone residential buildings and integrated townships.

Ecosystem of capabilities

The Company is driven by a holistic ecosystem of competence that includes: construction timeliness, sales effectiveness, customer relationship management, investment in cutting-edge technologies, strong processes and informed decision-making. The Company invested in benchmark technologies like Aluform technology from Korea, adhesive technology from Italy, water-proofing technology from Germany, pre-fabricated door technology from Japan and even entered into collaboration with Dulux to provide world-class services. The Company was also among the first to implement advanced CRM SAP-based ERP in India's real estate sector.

Institutional frameworks

Kolte-Patil is listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). Several of the Company's projects were certified by the Indian Green Building Council (IGBC).

This annual
report is a
celebration of
four words.
'It can't be done.'

These words have
inspired hundreds
of us at Kolte-Patil.
It is time to say
'Thank you'.

Thank you...

‘Thank you’ to all who pronounced ‘You must be crazy to even think of marketing a property without a mega advertising budget.’

‘Thank you’ to all who passed judgment with ‘You must be foolhardy to think of passing an entire year without a single property launch.’

‘Thank you’ to all who smirked ‘Who will buy an apartment during the lockdown?’

‘Thank you’ to all who expressed concern with ‘Markets are tight. You will have a problem mobilising apartment installments.’

‘Thank you’ to all who laughed saying ‘The whole country is cash-strapped. How will you ever deliver an apartment on time?’

‘Thank you’ to all who said ‘Nobody will want to invest in a real estate company in this slowdown?’

‘Thank you’ to all who scoffed by saying ‘Growing the business with less debt is a nice bit of fiction.’

‘Thank you’ to all who almost laughed when we selected to monetise our land holding during the lockdown.’

‘Thank you’ to those who shook their heads when they heard of our resolve to sell apartments without spending large sums in sales, marketing and commissions.’
