Explanatory Statement pursuant to the provisions of Sec.102(1) of the Companies Act, 2013 :

ORDINARY BUSINESS

In respect Item no.2:

M/s.B.B.Naidu & Co., Chartered Accountants, Chennai, were appointed as the Auditors of the Company at the 44th AGM held on Tuesday the 30th December 2014, for a period of 3 years until the conclusion of the 47th AGM. The Board of Directors have received a written communication from the Auditors that they would not be in a position to continue as the Auditors of the Company. In view of this, the Board of Directors recommend the appointment of M/s.N.Ganesan Associates, Chartered Accountants, having office at No.177/3, Valluvarkottam High Road, Nungambakkam, Chennai – 600034, to be the Company's Statutory Auditors to hold office for a period of 5 years from this 45th AGM until the conclusion of the 50th AGM.

SPECIAL BUSINESS

In respect Item nos.3 & 4:

Mr.Dilip Machado has been appointed on 31st March 2015 as an Additional Director(Independent Director) & Mr.D.Gunasekaran has been appointed on 30th October 2015 as an Additional Director(Independent Director) of the Company and they are liable to be reappointed as Directors at the ensuing Annual General Meeting.

In view of the provisions of the Companies Act 2013, the Independent Directors are required to be appointed for a period of 5 years. Notices have been received from the members of the company under Section 160 of the Companies Act 2013 along with requisite deposit amount signifying the intention to propose the candidatures of Mr.Dilip Machado and Mr.D.Gunasekaran, to move the resolutions set out in item no.3 & 4 in the notice to be approved by the shareholders.

A brief profile of the proposed Independent Directors including nature of expertise is already provided here before. The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail the services of the Independent Directors. Accordingly, the Board recommends the resolution set out in the Notice for approval of the shareholders of the Company.

None of the Directors/Key Managerial Personnel/their relatives, other than the appointees for their respective appointment, are in any way, concerned or interested, financially or otherwise in the resolution set out in the Notice.

In respect of Item No.5:

Mr.Pradip D. Kothari was appointed as Managing Director of the Company 'Without Remuneration' at the 41st Annual General Meeting of the Company held on 21.09.2011 for a period of five years effective 22.10.2010. The Board of Directors at the meeting held on 21.09.2015 have re-appointed him as a Director of the Company effective 22.10.2015 for a further period of five years.

Except Mr.Pradip D. Kothari & Mrs.Surekha P Kothari, none of the other Directors are interested in regard to this resolution.

In respect of Item No.6:

At the meeting of the Board of Directors held on 30.12.2014 the Chairman informed the members that in view of the inadequacy of working capital requirement, the Company has not been able to run the SSP plant situated at Ennore from April 2013. Further, the Company has not been enjoying any credit facilities from banks/institutions. The Chairman informed that keeping the machinery idle could not be possible in the interest of the company and hence at the recommendation of the Chairman the Board of Directors decided to give the factory along with all its plant and machinery on lease for production of SSP to M/s.Gemini Fertilizers who had evinced interest in running of the factory. It was unanimously agreed that the lease period would be for a period of 10 years commencing from 1st January 2015 and ending with 31st December 2025 and the monthly rental will be Rs.1,00,000/- per month. Further, a sum of Rs.115/- will be paid for every MT of SSP produced by the said Gemini Fertilizers net of all expenses including salary to the employees of Kothari Industrial Corporation Limited working in both Head Office and Factory. It is a condition precedent that the assigned land admeasuring about 40 acres at Ennore could be retained only if the factory is in continuous production of fertilizers, else the land will be forcibly taken over by the Government of Tamilnadu. The company also has to incur lot of fixed expenses under various heads to the tune Rs.10.00 lakhs per month without any production. In the present circumstances the company is not in a position to infuse any more funds to run the factory. More over the condition of the machineries are

deteriorating due to absence of periodical maintenance. Presently the plant and machinery is in a poor working condition and a sum of Rs.75.00 Lakhs required to put the same in working condition and the investor agreed to infuse funds to put the factory in working condition. It has therefore become imperative to restart the factory on mutual terms acceptable to both the parties. The Board would ensure that the terms would be modified going forward to ensure that the interest of the company and its members are protected with the mutual consent of the lessee. The investor invested around Rs.200.00 lakhs to restart the factory The factory restarted its production in June 2015 only and has therefore no impact on the financials for the year ended 31st March 2015.

In respect of Item No.7:

The Board of Directors at their meeting held on 30.12.2014 were informed by the Chairman that the Company had secured/unsecured loans to be settled and the profits generated from the company's operations were inadequate to meet the liabilities on hand. Hence, on the recommendation of the Chairman, the Board of Directors decided to sell 4 floors approximately admeasuring 34882 sq.ft. with an undivided share of land situated at Kothari Buildings, 114, Mahatma Gandhi Salai, Nungambakkam, Chennai – 600034, for a consideration of Rs.45 crores after negotiating with various parties to M/s.Gemini Iron and Steel Pvt.Ltd. having office at No.12, Basement, Prince Plaza, 73, Pantheon Road, Egmore, Chennai – 600008, with the two charges prevailing on the property namely, first charge held by HDFC Bank (alleged Assignee Bekae Properties) and second charge held by State Bank of India (alleged Assignee Kotak Mahindra Bank) and such approvals required, if any.

The proposed sale is necessitated due to mounting liabilities to the financial institution, pressing creditors and other charge holders and would eventually make the company largely debt free. Hence the Board is of the view that the proposed sale has become inevitable in the current dire financial circumstances of the company. The assets are only yielding negligible returns which is not even sufficient to meet the mounting interest burden of secured and unsecured loans. More over at this condition there are no buyers to purchase the property which is under litigation and its outcome is uncertain and unpredictable. It is prudent on the part of the company to sell of the property in the present circumstances and pay of the creditors after negotiating for settlement. The sale will be concluded in favour of the investor upon consent of the members as stated in the resolution.

Loss before Depreciation	(558.15)	(809.83)
Exceptional Items	75.10	-
Depreciation	(44.80)	53.45
Taxation	-	-
Loss for the year carried to Balance Sheet	(588.45)	(863.28)

DIVIDEND

In view of the accumulated losses, the Directors are unable to recommend any dividend for the year ended 31st March, 2015.

OPERATIONS:

The Turnover of NPK Mixtures, Straight fertilizers and Trading activities was Rs.5189.56 lakhs as compared to Rs.7871.75 lakhs in the previous year. The Single Super Phosphate plant near Chennai could not be operated during the year in view of inadequate working capital.

The company during the last five years has been starved of working capital necessitating borrowing from outside the banking sector at exorbitant rate of interest thus increasing the debt burden leading further to liquidity crunch. The Board of Directors of your company has been on the look out for a prospective investor who could have a long term interest and involvement in the progress of the company and has at last been able to identify Gemini Group headed by Mr.Jinnah Rafiq who after long deliberation and negotiation has agreed to come to the rescue of the company which otherwise would have faced the ultimate liquidation. The new investor has so far funded over Rs.9.01 crores and agreed to restart and run the super phosphate factory at no cost to the company by investing around Rs.200.00 lakhs and availing working capital facilities to the tune of Rs.15.00 crores from banks and financial institutions thus enabling the company to retain the valuable assigned land of about 40 acres which otherwise would have been taken over by the State Government. All this joint endeavours of the company and the new investor have been towards reviving the company's operations through increasing productivity and profitability of the operations besides getting the factory

operational once again. The investor promised to bail out the company from all its financial problems at the earliest possible time.

This step forward would require the consent of the members for which enabling resolutions are being proposed at the ensuing Annual General Meeting.

FUTURE PROSPECTS:

Gemini Fertilizers have restarted the Single Super Phosphate Plant since 1st June 2015 under a lease agreement, injecting the necessary fixed and working capital to the tune of R.200.00 lakhs and availing working capital facilities of Rs. 15.00 Crores from banks. With respect to production and sale of NPK Mixtures and other products, the Company is planning to increase the quantum of sales by effective utilization of the available infrastructure facilities and with the involvement of M/s.Gemini Fertilizers, who promised to meet the need based working capital requirement of the company from time to time and bail out from the present financial difficulties faced by the company.

INDUSTRY OUTLOOK

Fertilisers are an essential component of modern agriculture. The balanced use of Chemical fertilizers is important not only for increasing the agricultural productivity but also for sustaining soil fertility. The consumption NPK ratio also has changed over a period of time. During 2008-09 the consumption of NPK ratio was 4.6:2.0:01 which has changed to 8.2:3.2:01 during 2012-13.Hence it is expected that the consumption of fertilizers will show an increased trend. Further, the demand for NPK Mixtures is also likely to pick up with the Nutrient Based Subsidy Scheme in vogue. This will help all fertilizer companies to get benefited, since the level playing field has been created by the Government.Your company is planning to improve its sales with better distribution facilities available and by leveraging the "Horse Brand".
