## II ALIVE IN OUR MEMORIES FOREVER II

KARMA YOGI M. M. KOTHARI  
Our Founder Chairman  
(25th July 1925 – 27th November 2015)

“The soul never takes birth and never dies at any time nor does it come into being again when the body is created. The soul is birth less, eternal, imperishable and timeless and is never destroyed when the body is destroyed.”

## Chairman's Message

Dear Fellow Share Owners,

Once again I will feel honoured to be amongst all of you in the ensuing Annual General Meeting of a Company which has the tradition of nurturing its legacy of sustained growth & sacred values. I thank you all for being part of our journey of success.

To begin with, I would like to apprise all of our stake holders about the challenges faced by your Company during the period under review and the management efforts to overcome those successfully.

General domestic economic environment continued to be cautious as was anticipated after series of historic steps of economic reforms taken by the Government at the centre, international market also felt the heat due to various triggers like imposition of Trade Tariffs by different countries, continuous resurgence in international crude oil prices, unabated adverse currency fluctuation, stressed domestic liquidity together

with other geo political uncertainties. These challenges were very severe in the second half of the period under review. But I am pleased to share that despite such adverse business conditions, your Company could maintain satisfactory performance and could be able to increase the value of your investment, though less than the expectation. This happened due to management's pragmatic, conservative approach and financial prudence.

Let us be prepared for more such challenges in future but we always believe that growth opportunities are immense for those who make a successful transition to the new business models and align into new ways of working. Your Company is undergoing a transformation/ re-alignment by exploring new business opportunities/ models to evolve itself as a robust Company as it was always.

Implementation of RERA has started to give impetus to the Real estate sector growth especially to the actual consumer and opportunities are emerging and we are focused to seize those opportunities.

Your Company has continued to be a purposeful contributor in our communities through its various CSR initiatives to uplift the deprived society through social programs. We are dedicated for providing quality education and improving the quality of lives of the deprived elders of our society by undertaking projects of educational institutions & old age care centers.

Over more than 3 decades, your Company has continued to grow and evolve, creating value for the share owner and we are sure that we will continue to strive ahead.

In the end, I would like to place on record my sincere thanks to all the stake holders including consortium of Banks lead by Allahabad Bank for their continued support and faith in us. I would also like to thank my fellow colleagues for their valuable support and guidance.

With best wishes

Yours truly,

**Deepak Kothari**
