- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
