III. Other Information:

1. Reasons of loss or inadequate profits.

The economic environment continued to be uncertain at large and particularly in the Enterprise & Telecom sector. The Enterprise network market growth continues to be slow due to the overall economic slow-down and the indecision of large players committing continued outlays. The expansion plans were either put on hold or delayed. On the Telecom front, the Company continues to grapple with fewer orders, lower price realization and reduced profitability.

2. Steps taken or proposed to be taken for improvement

The Company is taking all possible steps to reduce costs for improving profitability. Towards this the Company's own facility was rented out and the operations were moved to a smaller location fitting into the overall operational requirement. This move is expected to deliver better results in the years to come.

The Company has introduced new products that would cater to the Telecom market such as Fiber to the Antenna & Copper to the Antenna products that would help to support upcoming 4G projects. The Company has also developed a Standard compliant product portfolio to increase its geographical reach.

3. Expected increase in productivity and profits in measurable terms.

With the expected growth in the telecom and IT/ITES sectors and other Small and Medium (SMB) business segment and introduction of new products for the Telecom market, the utilization of available hours will increase which in turn will improve the margins.

IV. Disclosures

The remuneration package of the Managing Director has been described in the statement pursuant to section 102 of the Companies Act,

2013 and will also be provided in the corporate Governance Report of the subsequent years.

Except Mr.J.N.Mylaraiah, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested in the proposed resolution.

The Board recommends the resolution set forth in item No. 6 for the approval of the members of the Company.
