**ANNUAL REPORT 1998-99****ANNEXURE TO THE NOTICE**

Explanatory statement as required under Section 173 (2) of the Companies Act, 1956.

In conformity with the provisions of Section 173 (2) of the Companies Act, 1956, the following Explanatory Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice and should be taken as forming part of the Notice.

**ITEM NO. 5**

Under Section 293(1) (d) of the Companies Act, 1956, the Board of Directors can not, except with the consent of the Company in General Meeting borrow monies (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business) in excess of the aggregate of the paid-up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purposes.

By a Resolution passed at the Annual General Meeting of the Company held on 28th September, 1993, the members accorded their consent to the Board of Directors of the Company for borrowing monies upto Rs. 5,00,00,000/- (Rupees Five Crores only).

The Company has undertaken an expansion as well as modernisation programme requiring further capital investment, financed partly by term borrowings and bank borrowings. The working capital requirement of the Company has also correspondingly increased necessitating further bank borrowings.

Although, the cash credit arrangements and other facilities of the Company with the Company's Bankers are temporary loans obtained in the ordinary course of business it is deemed desirable as a matter of abundant caution, to consider such facilities to be covered by the borrowing powers of the Board.

In the light of the above, your Directors have thought it essential to seek your consent to increase the limit of the borrowings to Rs. 10,00,00,000/- (Rupees Ten Crores only) and accordingly commend the resolution under item No. 5 of the accompanying Notice for your approval.

None of the Directors of the Company is concerned or interested in the Resolution.

By the Order of the Board of Directors

(K. P. OZA)  
Director

### DIRECTORS' REPORT

To the Members,

At the outset, the Board wishes to record with a deep sense of sorrow the sad demise of Founder of the Group, Shri K. J. Somaiya on the 9.5.1999. Shri K. J. Somaiya put up first sugar factory of the Godavari Sugar Mills Ltd., (GSM) at 'Sakarwadi', Kanhegaon in 1939 and the second factory viz. 'Lakshmiwadi' in 1941 at Kopergaon, both in District Ahmednagar, (Maharashtra). The GSM's third sugar factory, viz. 'Sameerwadi' was put up in the year 1971 at Saidapur, Taluka Mudhol, Dist. Bagalkot in Karnataka State. In course of time, as per the policy of Maharashtra Govt. to co-operativise the Joint Stock sugar factories, Sakarwadi and Lakshmiwadi plants were taken over by the State Govt. for co-operativisation in 1984-85.

Simultaneously with the development of the Sugar Factories, Shri K. J. Somaiya turned his attention to diversification leading to the setting up of Distillery for Industrial Alcohol, Alcohol based Organic Chemicals factories and management of the Company was taken over in 1967.

The Company owes its present position solely to the efforts made by the Founder Shri K. J. Somaiya and the team of dedicated workers. Shri K. J. Somaiya was not merely an industrialist but a humanist, a philanthropist, an educationist and a visionary. The Board paid flowing tributes to the services rendered by the founder.

Your Directors have pleasure in presenting their Forty-ninth Annual Report alongwith Audited Statement of Accounts for the year ended 31st March, 1999.

**ANNUAL REPORT 1998-99**

The financial results of the Company during the year under report reflect an adverse position as during the year the Company became a victim of natural calamity unparalleled in the Company's history. As has been reported in our last year's report an unprecedented Cyclonic storm with high tidal waves lashed the coastal areas in Kutch and Saurashtra on 9th June, 1998. As a result, our Kandla Salt Works suffered heavy damages to earth work and other fixed assets. Stocks of salt and other items lying in the Salt Works on 9th June, 1998, were completely washed away. The several Salt Works in Kutch and Saurashtra suffered heavy damages but the damage inflicted on our Kandla Salt Works was the highest.

The Company has received Rs. 35.41 lacs from Insurance Companies against the claims and Rs. 26.35 Lacs by way of assistance from Salt Department, Govt. of India towards damages occurred due to natural calamity.

**DIVIDEND :**

Owing to what has been stated in the foregoing para, your Directors' regret their inability to recommend any Dividend for the year 31st March, 1999.

**PRODUCTION :**

Production activities at Kandla were also hampered due to the said natural calamity. In view of total destruction of earth work, electric and other installations, it took long time to set right the same. This delayed the commencement of production activities at our Kandla Salt Works. With strenuous efforts at Kandla, production during the year was about 61,280 M.T. as against 1,08,289 M.T. last year. At Jakhau, the production was 54,566 MT against the previous year's production of 37,598 M.T.

**SALES/DESPATCHES :**

Sales during the year under Report came down to Rs. 263.82 lacs from Rs. 380.89 lacs in the previous year since despatches of salt during the year were lower at 81,152 M.T. as against 1,33,054 MT during the previous year mainly due to depleted salt stocks at Kandla.

**CYCLONIC STORM & HEAVY RAINS AND  
DAMAGES TO THE EARTH WORK AT JAKHAU :**

Your Directors take this opportunity to report that after the end of year under review, the Jakhau Salt Works was subjected to another cyclonic storm and heavy torrential rains on 18th/19th May, 1999. The sea water level was raised to 5 mtrs. and entered into the entire salt works. It caused heavy damages to earthwork, sagarpara and other properties. Most of stocks of salt lying at platforms, stacking yard were washed away and production activities were completely disrupted. However, since there was a timely warning in advance, all workmen had been shifted to the near by town and hence there was no loss of human life.

The Company have approached the Central Government including Salt Department as well as State Government for the relief and assistance for rehabilitation of Salt Works at Jakhau just as done last time for Kandla.

**RECONSTRUCTION AND MODERNISATION PROGRAMME OF OUR KANDLA AND  
JAKHAU SALT WORKS :**

Your Company is rebuilding its Salt Works on modern lines of mechanisation to improve the quality and yield per acre in future. The measures being taken now will help the Company to substantially augment the production in the long run.
